Sheriff's Deputies Organize New Union

Employees of the Madison county sheriff's department have organized as a union and plan to bargain this fall on wages, working conditions and other benefits.

Known as the Madison County Sheriff's Association, the group is headed by John Cooper of Granite City and includes deputies, jailers and dispatchers.

All of the department's 69 members are in the association, including members of the investigation bureau, Cooper said.

The association has appointed a bargaining committee and has hired the law firm of Wiseman, Shalkewitz and McGivern, Alton, to represent them in negotiations with the board of supervisors and the sheriff's office concerning wages, working conditions, fringe benefits, the merit board and other matters.

Budget Draft Started

The finance committee of the county board, headed by Nelson Hagnauer, Granite City township supervisor, already is at work on the annual budget to take effect Dec. 1. Cooper said efforts will be made in the next couple of days to schedule negotiations for the new group.

Cooper said "it is the association's aim and objective to raise the level of law enforcement in the sheriff's office to professional standards so that the office operates in an efficient manner and to serve the public in the finest and highest tradition."

"We are requesting that the financial committee and that the committee in charge of the merit board meet with us at their first opportunity so that we can discuss with them and bargain collectively concerning various matters relative to wages and fringe benefits for the association."

Other association officers are Delbert Clemens, treasurer; Gary Burns of Madison, secretary; and John Haynes of Madison, president. Members of the bargaining committee are David Reno of Alton, William Hartman of Edwardsville, Stephen Kumerczak of Granite City and the Edwards.

Plan Massive Study Of Rainfall Increase

The first major step in a large field program in the Illinois section of the metropolitan area is being initiated by the Illinois State Water Survey.

The organization is installing the world's largest record of rain gauge network in and around the area, with six of the gauges to be located in and near Granite City.

State Acquires Stream Valley, Pond, Prairie

One of the most spectacular and distinctive stream valleys in Illinois has been acquired by the state, Dan Malkovich, acting director of the Illinois Department of Conservation, announced this week.

The newly-acquired area is the 100-foot-deep heart of Lusk Creek canyon, located north of Golconda in Pope county, Malkovich said.

He called it "a sandstone-framed window on the death of the Illinois Glacier" and a "priceless natural resource for scientists and lovers of nature's splendor of generations yet unborn."

Unique Botanical Features

Efforts at preservation have accelerated since 1965 when the U. S. Forest Service outlined plans for a dam that would inundate many of the site's unique botanical and geological features, Malkovich said.

The 280-acre Lusk Creek canyon purchase is one of three new acquisitions described by Malkovich as "major events in the nature preserves program throughout Illinois."

Also added to the preserves system are the Heron Pond swamp near Vienna—a haven for massive cypress trees and a sanctuary for such rarities as the American egret—and Hills Prairie, located on 372 acres of bluffs and hills near the Mississippi River in Monroe county.

2028 Acres Preserved

In all, the package represents 2028 acres of land preserved by the state for conservation.

Total purchase price for properties at all three sites was \$777,803, according to Robert Corrigan, chief of the division of land acquisition for the conservation department.

Lusk Creek has been described by naturalists as unique to Illinois in many ways, among its 300 known varieties of flowering plants and ferns are some that occur nowhere else in Illinois.

Smith 'Welcome' To be Sunday at Lakeside Airport

An old-fashioned homecoming celebration for U. S. Sen. Ralph T. Smith will be held from 4 to 7 p.m. Sunday at Lakeside Airport as he prepares to swing into the final month of his campaign for re-election.

Sen. Smith, a native of Granite City who attended elementary and high schools here, is expected to arrive at the field Tuesday at 10 a.m.

The co-chairmen of the celebration, Coroner R. O. R. Thomas and State Atty. Gen. John J. W. Sullivan, have invited the public to the event which is being co-sponsored by the Granite City Citizens for Smith.

Featured will be music by the Midwest Country Brass, free air plane rides, barbecue, soda and other refreshments.

He also will be campaigning in Madison county tomorrow with a Citizens for Smith breakfast at 7:30 a.m. at the Lewis & Clark restaurant, East Alton, at the Alton GOP headquarters at 9:15 a.m. and at a GOP coffee at the home of M. G. Schaefer, Oaklawn, Edwardsville, at 10:15 a.m.

He will be interviewed on radio and television programs in St. Louis tomorrow.

A. O. Smith to Shut Down

The A. O. Smith Corp. plant will shut down its production lines, effective Monday, as a result of the United Auto Workers strike against General Motors Corp.

Paul Kemp, plant manager, said approximately 650 employees will be affected by the lay-off. The A. O. Smith Granite City plant is a major supplier of Chevrolet frames.

"Approximately 650 employees will be affected by the lay-off. The A. O. Smith Granite City plant is a major supplier of Chevrolet frames."

The plant shutdown will effect operations of the Granite City Steel Co., since the body frame plant acquires its steel supplies from the mill.

A spokesman for Granite City Steel Co. said that the shutdown of the A. O. Smith plant "will certainly will effect Granite City Steel Co. A. O. Smith is a substantial customer of Granite City Steel."

At the national level, the United Auto Workers strike has idled 370,000 at General Motors plants, either through the strike or by subsequent layoffs.

Layoffs had begun spreading today among plants in the St. Louis area that furnish supplies or services to General Motors plants. The American Zinc Co. in East St. Louis laid off 380 of its 510 employees as a result of the strike. The plant is expected to shut down completely next week.

Other firms reporting layoffs included Complete Auto Transit, Inc., Carter Carburizer Division of ACF Industries, and Wagner Electric Co.

About 9000 employees of General Motors plants are on strike in St. Louis.

City OKs Route 203 Agreements

A series of ordinances and agreements clearing the way for widening of Route 203 (Nameki road) from the northern Granite City limits to Interstate 270 at Mitchell was approved by the city council in regular meeting Monday night.

While most of the work will be done by the Illinois Department of Transportation, joint city-state agreements covering areas of drainage, detours during construction, street lighting and maintenance of that section of highway within the city limits were required before the state can proceed with construction.

The project will include widening of Route 203 to a four-lane highway with center median. Cost of the project, including acquisition of right of way, has been fixed at \$2,687,000.

Improvement of Route 203 was planned nearly three years ago but the job was caught in the two-year government freeze on federal highway funds. The freeze was lifted several months ago.

Depends on Financing

Robert Krone, chief engineer of state highway district eight at French Village, said today that the Route 203 improvement project depends entirely upon financing and that it still is uncertain whether the project will be included in state highway bid calls this year.

Krone said the project is included in this year's highway work schedule, but that unless funds are made available it probably will be carried over to 1971 planning.

All right of way has been obtained and planning is complete.

In approving the state highway plan, the council Monday night authorized Mayor Donald Sprague to sign the state agreements and, at the same time, approved a separate ordinance providing for payment by the city to the state of an additional \$15,000 to permit the installation of a stormwater drainage system larger than that originally planned by the state.

To Serve Larger Area

Earlier, the city requested that the state highway department to enlarge the sewer line so that it would handle a greater volume of drainage and therefore serve a larger area in the vicinity of Nameki and Pontoon roads.

The state approved the suggestion with the provision the city pay for the additional \$15,000 for additional material. Since then, the city has requested that the state pay for the \$15,000 extra cost because of the added advantage to part of the Nameki area. The state has agreed to do so.

Pointed out Monday night that the city clerk will bill the township for the amount.

Under the agreement, the city will pay for street lighting if it deems additional lighting necessary at or near its junction with the highway at the city limits; will be responsible for detours during construction

Levee Trustees Convicted, Face Loss of Board Seats

Four trustees of the East Side Levee & Sanitary District, convicted Monday afternoon of misconduct in office, may be forced to forfeit their offices immediately.

Kenneth Juen, assistant state attorney who prosecuted the case in St. Clair county circuit court, said preliminary legal opinion indicates that Gov. Richard Ogilvie should be informed that vacancies exist and that he should call a special election to fill them.

The trustees, who waived jury trial, were found guilty by Associate Circuit Judge Alvin Mayes on five counts named in a grand jury indictment, including the award of two contracts for tunnel projects without competitive bidding and paying three levee district attorneys more than the \$3500 legal maximum, during 1969.

Trustees Named

The trustees are Morris Campbell, district president, and Charles Merritt, president of the board. George Duff, all of East St. Louis, and William Eberhardt of Venice.

Griffith, totaling \$18,500 were awarded to the Eastgate Construction Co., controlled by Charles Merritt, president of the East St. Louis board of education, to clean and repair two water intake tunnels along the levee north of the Eads bridge.

Amounts paid to attorneys included \$31,961 to John R. Sprague Jr., \$6000 to John J. Hoban and \$6000 to Frank J. Griffith.

The penalty upon conviction is mandatory forfeiture of office, a maximum fine of \$1000 on each count and prison terms of up to five years on each count.

To File Motions

Hoban, chief defense counsel, gave 30 days to file motions which he said he planned to do soon. If the motions are approved, the usual procedure would be to seek probation, hold a hearing, set a sentence and file an appeal.

Juen said there are other aspects of the law regarding forfeiture of office. He said it is undetermined if forfeiture is automatic or requires a court order.

Statutes read that forfeiture occurs upon conviction, Juen said, but also that state forfeiture occurs when there has been a judgment of guilt when sentencing has occurred.

The four-year terms of the trustees expire in 1972, which would require an election if they lose their seats. If less than a year remained, the vacancies would be filled by appointment of the governor.

Burglars Active; Thieves Steal Parking Meters

Burglary of several residences and commercial firms and theft of money from unattended parking meters were among crimes reported to Quad-City authorities since Monday.

Items valued at \$203 were taken in a burglary at 2133 Washington avenue, after 6:30 p.m. Monday.

He reported at 11:30 p.m. Monday that a portable television set was taken from the rear bedroom in a burglary of her home between 10:30 a.m. and 2 p.m.

There was no forced entry. The intruders took time to cook meat and eat a couple of hotdogs.

Francis Doolie, 2300 Nameki road, reported at 5:15 p.m. Wednesday that someone in a white-green 1960 auto tried to gain entry by forcing front door window of his trailer home. The window was cracked in the attempt.

Clarence Carter, 92 Garesques Homes, told police at 12:00 p.m. Tuesday that \$50 had been taken from a purse in her home from a purse in her home.

Missing were two purses, two belts, seven oval parking symbols, two round peace symbols,

Levee District OKays Loan to Meet Payroll

Trustees of the East Side Levee and Sanitary District, in a special meeting this morning, borrowed \$25,000 from the district's Municipal Retirement Fund to meet the immediate payroll for the first half of the month.

Levee district funds were depleted to the point that sufficient funds to cover the payroll were not available, the trustees said. The district has requested the transfer of the money from the retirement fund to the district's general fund account was approved.

Officials said tax funds are due from collectors in both Madison and St. Clair counties and that the retirement fund will be reimbursed as such as they are received. The district has exhausted its anticipatory power of \$750,000 for the current fiscal year which ends Dec. 31.

City Settles Payroll Issue, OKs Raises

Two major financial problems plaguing city officials for the past six weeks were resolved by the city council Monday night in two separate actions.

One cleared the way for transferring funds to the payroll account to cover city employees' salary checks which were distributed last week without sufficient funds subject to action.

The other granted a \$50 per month salary raise on a split \$35-\$15 basis to 14 city hall workers who went on strike Aug. 28 through Sept. 2 to enforce their demands for the raise. The council action also gave the employees holiday pay for Labor Day, although the workers actually were on strike at the time.

Both council actions were clear-cut victories. Mayor Donald Sprague who settled the salary raise issue in an emergency meeting with the workers subject to council approval of the \$50 raise combined with the holiday pay, the council previously had failed to reach an agreement to end the strike.

Full Pay Restored

Partney also won council approval of "full pay" for City

City Settles Payroll Issue, OKs Raises

Attorney Leon Scroggins, an action demanded by the mayor before he would sign fund transfers necessary to put enough money in the payroll account to meet salary checks distributed on Sept. 15.

The salary issue involving city clerk and city treasurer dropped back to early August when the workers demanded raises on the same basis as those given most other city employees when the new budget was adopted. Subsequent meetings between the workers' union representative and the council's Finance committee ended in a stalemate.

In a council session Sept. 8, the council as a whole attempted the negotiations and attempted to effect an agreement in a series of caucuses, held by breaking off the council session from time to time. The council offered the total \$50 raise with \$35 for the first six months of the fiscal year and \$15 for the last half of the year, but refused flatly to allow the strikers to receive "full pay" for Labor Day holiday on Sept. 7.

The employees refused to settle without the holiday pay. Council members insisted that a city ordinance existing providing that holiday pay would be paid only when an employee worked the day before and the day after the holiday. The council dropped the matter at that point.

Strike Continued

The strike continued the next day, Sept. 9, but Mayor Partney called a meeting of the employees and the union representatives that afternoon and agreed that holiday pay would be paid the striking workers if a search of the records revealed there was no such ordinance limiting pay to those working the days before and after a holiday. The union agreed. The workers returned to work Sept. 10.

In Monday night's council session, an ordinance providing the \$50 per month and holiday pay was approved by the council. Partney said he found no ordinance limiting holiday pay, but suggested that an ordinance regulating pay, fixing holidays and detailing such terms be prepared covering all city employees.

City Buys Pumper; Hears 'Garage' Plan

A contract to furnish Granite City with a new fire pumper was awarded by the city council Monday night to American LaFrance Co. of New York on a bid price of \$37,753.

Alderman Emerald Dawes, chairman of the council's Fire and Water committee, said the offer was considered the best of three bids received by the committee.

The American LaFrance Co. bid of \$37,753 provides a \$500 rebate to be used for an "inspection" trip by city officials, reducing the actual price to \$37,253, Dawes explained.

Other bids were received from Mack Truck Co., \$45,000, and Seagraves Co., \$38,395 with a \$300 inspection trip rebate.

Dawes told the council that construction of the new fire engine to Granite City's specifications will take about a year.

A \$50,000 appropriation for purchase of a new fire engine was included in this year's city appropriation.

Authorizes Agreement
On a motion by Dawes, the council authorized Mayor Donald Partney to sign agreements with the company for purchase of the pumper.

Council members also took under consideration Monday night a proposal by Alderman Walter Nomm that the city "make every effort to buy a large warehouse and 2-acre tract of land to be used as a street department garage and establishment of a repair shop used to maintain and repair city vehicles."

Nomm revealed that such a warehouse and land area perfect to the city's needs had been located and inspected by himself, the mayor and several other city officials, but he did not disclose its location because, he said, "it might interfere with our negotiations to acquire the facilities."

The alderman said the warehouse "would be ideal for our purposes. It is time we set up our own repair facilities. The bill just tonight is full of hundreds of dollars worth of items for car washing, car repairs, a full time maintenance man could do. It would save the city thousands of dollars. Such a repair shop and garage would pay for itself in several years."

A motion by Nomm that Mayor Partney be authorized to employ two appraisers approved for the property was approved. At the same time, council members suggested the appraisers also check the present city garage, the old city dump area and the old Nameeki fire station as to value for sale to help pay for the possible purchase of the new street garage facility.

Parking Restricting
An ordinance restricting parking on Twenty-seventh street, between Grand avenue and State street, to two hours, also was approved, but another ordinance that would have prohibited use of Feihling road by trucks and buses of more than two tons was withdrawn after considerable argument.

The ordinance set out that heavy trucks and buses using Feihling road had brought complaints from residents because of the noise and damage to streets.

Withdraws Ordinance
"I've heard of people complaining about not having bus service, but not because they had it," Whitmer remarked. As

Parochial Pupils Off Friday-Teachers Meet

Parochial school children will have the day off on Friday as teachers will be attending the annual Diocesan Elementary Teachers Institute at the state fairgrounds at Springfield.

More than 600 religious and lay teachers from 70 grade schools in the diocese are expected to attend, according to Rev. Richard Paynic, diocesan director of schools.

The keynote address will be presented by Most Rev. Maurice J. Dingman, bishop of Des Moines, Ia. His topic will be "Modern Catechetics."

Other speakers will be Rt. Rev. Mgr. John R. Gorman, president of St. Mary of the Lake Seminary, Mundelein; Rev. Eugene May of Mt. St. Mary of the West Seminary, Norwood, O.; and Sister Margaret Marie Vitt, O.S.U., superior of the Ursuline House of Studies, Kirkwood, Mo.

Exhibits of textbooks and teacher aids will be on display.

several other aldermen sought to speak on the matter. Parmenter said that he had presented the ordinance at Robertson's request and that he therefore would withdraw it.

An effort by Alderman Charles Moerlein to revise the ordinance establishing tap-in fees and sewer rental charges for sewer users in Granite City to clarify charges to be assessed against persons who became new residents of the city through annexation was defeated during the meeting.

Moerlein pointed out that persons in the Nameeki area whose property becomes annexed to Granite City should be allowed to pay the initial tap-in fee of \$45 under the ordinance instead of \$250 which is required of persons who did not tap into the sewer within a specified time after the sewage treatment system was completed.

New Sewer Users
He contended they had not been residents of the city prior to their annexation and there-

fore should be considered as new sewer users.

Moerlein said the ordinance should be revised to clarify the matter. His suggestion brought protests from Aldermen Paul Rutledge, Walter Nomm and Roy Poulos.

Rutledge said tap-in fees should be paid in accordance with the present ordinance. Nomm said the longer a resident waits before tapping into the sewer and paying rental fees, the less he has to pay for sewer service before the bonds are paid off.

On a roll call vote on a motion by Moerlein to revise the ordinance, "no" votes were cast by Aldermen Nomm, Rutledge, Basarich, Poulos and Everett Morten. Aldermen Robertson, Clyde Boyd and William Dallas were absent. This defeated the motion 7 to 5. Nine votes were needed to carry.

DR. JOHN S. RILEY To Address Seminar

Ticketed After Mishap
Terry L. Champion, 2133 Missouri avenue, was charged with careless driving after his auto struck the rear of a pickup truck driven by John L. Galinski, 1812 August street, shoving it into the rear of a car driven by Doyle E. West, Hillside, at 4:05 p.m. Monday at 2000 Edison avenue.

Dr. John S. Riley, co-chief of surgery at St. Elizabeth Hospital and Dr. Bernard P. Gipson, assistant clinical professor of surgery in Denver, Colo., will be guest speakers at the annual Medical Staff Conference at Estes Park, Colo. The five-day conference opens Monday.

Both surgeons will speak on the topic, "The Negro in Medicine: A Responsibility and an Opportunity."

The seminar will explore the status of Negro physicians and hospital staff members in the United States; the National Medical Association and its relationship with the American Medical Association; and how to identify, educate and bring Negro youth into medical schools.

The National Medical Association founded in 1895 is composed predominantly of black physicians. The conference will conclude Friday, Oct. 2.

Dr. Riley to Address Colorado Conference

Dr. John S. Riley, co-chief of surgery at St. Elizabeth Hospital and Dr. Bernard P. Gipson, assistant clinical professor of surgery in Denver, Colo., will be guest speakers at the annual Medical Staff Conference at Estes Park, Colo. The five-day conference opens Monday.

Both surgeons will speak on the topic, "The Negro in Medicine: A Responsibility and an Opportunity."

The seminar will explore the status of Negro physicians and hospital staff members in the United States; the National Medical Association and its relationship with the American Medical Association; and how to identify, educate and bring Negro youth into medical schools.

The National Medical Association founded in 1895 is composed predominantly of black physicians. The conference will conclude Friday, Oct. 2.

GOP Tax Boosts Are Biggest in History-Dixon

State Sen. Alan J. Dixon of Belleville, Democratic candidate for Illinois state treasurer, campaigning this week in Madison county, said unchecked inflation and high costs of government are eroding the average Illinois worker's buying power.

"If you're not making 12 per cent more today than you earned in 1968, you're actually had a cut in salary," he said, quoting from a data obtained from the U. S. Department of Commerce.

"Costs of living for necessities like food, clothing, rent and education are 12 per cent more expensive today than they were two years ago," the senator said.

"But even these costs have not risen as sharply as the costs of Illinois government in the last two years," Senator Dixon said, adding:

"In the last two years, Illinois workers have had the biggest tax increases imposed upon them in any previous two-year period in the history of Illinois."

Tax increases imposed by the Ogilvie administration include those on gasoline and diesel fuel, on beer and liquor, on cigarettes and cigars, on certain sports events, higher auto license fees, and higher truck license fees, he said.

"Then of course, there is the new Ogilvie income tax and as you know, we don't have an accurate measurement from the Department of Revenue on how much tax alone he has levied for the state," Senator Dixon said.

"The Ogilvie administration wasn't satisfied with just these," he added. "If you remember, the Ogilvie administration wanted to tax sales of auto tires and batteries and they wanted a two-cent hike in the gas tax to retire a billion worth of bonds to build roads."

Acted Unconstitutional "The Illinois Supreme Court said that even sales of auto tires and batteries and they wanted a two-cent hike in the gas tax to retire a billion worth of bonds to build roads."

"If our high court had not ruled," he added, "you would interest on these bonds for each \$1 retired from the principal."

The Republican-dominated legislature in 1969 did pass a one-cent increase in the gas tax instead of the originally proposed two-cent hike at the insistence of the Ogilvie administration, Senator Dixon said.

As a result of lessened buying power, there is less of a demand for consumer goods in Illinois and because of that lessened demand, there have been cutbacks in production schedules in certain industries, the senator said.

Unemployment Up "With production cutbacks, there is more unemployment," Dixon said, and he added:

"I've already been advised of these when I visited Rockford, Moline, Rock Island, some industrial areas of Cook county and East St. Louis."

"But," he asked, "does the Ogilvie administration reduce its spending? Does it cut back on personnel? The budget for the last two years totals \$9.5 billion—more than twice the 1967 budget of \$4.7 billion for the Kern-Schapiro administration," he declared.

Son Is Born

Mr. and Mrs. Raymond Voorhees, 3008 Willow avenue, have reported the birth of a son, their first child, at 3:29 a.m. Tuesday in Alton Memorial Hospital. The baby weighed seven pounds 15 ounces and has been named Matthew Stephen.

MOBILE MEALS have begun rolling in the Quad-Cities. Delivering meals on the first day to the home of Mrs. Mary Bush of Granite City, seated, are Sister Pauline of St. Elizabeth Hospital and Rev. Paul Surbey, president of Mobile Meals.

Group Collects 10,500 Life-Saving Coupons

Within a 17-day period, a volunteer group of St. Elizabeth Church parishioners with the aid of friends has collected a total of 10,500 Betty Crocker coupons to help save the life of a Detroit youngster who requires an artificial kidney machine until a third kidney transplant can be effected, sometime in the future.

The youth, Frank Marvetch, of Detroit, was stricken with kidney disease one year ago and attempts to cure him have been unsuccessful. Two kidney transplants within the past six months have been rejected by his system.

Mrs. Jerry Distler, 2131 Orville avenue, who learned of the boy's condition from a relative, initiated the campaign at the local church. "The response has been wonderful," she reported this week. "Coupons have been sent to us from everywhere and we are still collecting them."

Mrs. Distler said two letters, one containing nine coupons and the second with 12 coupons arrived last week from a senior citizen at the Jacksonville

Child Care Workshop To Open Tomorrow

Approximately 400 people are expected to attend a two-day series of workshops sponsored by the Child Care Association of Illinois which opens tomorrow at Augustine's in Belleville. The sessions will attract social workers, child care personnel, board members, foster parents, and volunteers representing child welfare agencies and institutions in both Illinois and Missouri.

The workshops will be "how to" meetings designed to provide practical guidance on ways to improve services in the area of adoption, day care, foster family care, homemaker service, and residential care of children.

Nationally known experts who will participate in the meeting include Philip A. Jarmar, assistant regional director, U.S. Department of Health, Education and Welfare, Chicago; Mrs. Beatrice Garrett, Washington, D.C., HEW's specialist on foster family care.

Judge Theodore McMillian, of the juvenile division, circuit court, city of St. Louis, will be the featured speaker at the luncheon general session at 12:15 p.m. Friday. He will discuss "Contributions of the Juvenile Court in Planning for Community Services."

'Mobile Meals' Being Taken to Local Shut-Ins

After three years of planning and consideration, the local Social Concerns Council saw its "Mobile Meals" plan become a reality Monday with the delivery of the first meals.

In cooperation with St. Elizabeth Hospital, a non-profit corporation has been formed and named Mobile Meals of the Quad-Cities. Purpose of the group is to deliver hot noon-meals to shut-ins and elderly citizens.

Some meals will be served on an indefinite basis and some for a short time, depending on the needs of the individual. The program is expected to enable many of the shut-in people to return to their homes more quickly than would otherwise be possible.

When the person in question can afford to pay for the service, a charge will be made. Donations from civic and fraternal groups and area churches will make up the difference for those who cannot afford to pay. It is estimated that about half the persons receiving the service will be able to pay at least a portion of the cost.

Delivered by Volunteers The meals will be delivered by volunteer workers from the local community. The hospital will handle the food preparation.

Officers of Mobile Meals are Rev. Paul Surbey of St. John's United Church of Christ, president; Paul Edmonds, vice-president; Mrs. Marjorie White, secretary; and Orville Gann, treasurer.

Serving on the board of directors are Robert McCormick, Mrs. Marcella Herman and Mrs. Lorraine Parkinson. Those knowing anyone who is in need of this service are being asked to contact Mrs. White at the Protestant Welfare office, 2655 Edison avenue, 876-0770.

Indecent Exposure

A man in a dark green compact foreign car exposed himself to two girls, 12 and 13, while they were enroute to Central Junior high school at 2200 West 20th street and at 20th and Benton streets, the school reported Monday. He was described as being 25 to 30 years old with dark brown hair and wearing a dirty gray shirt.

Spalding Doubtful for Championship Car Race

Doubt still exists whether Wib Spalding, local race driver injured two weeks ago, will compete in Sunday's season championship point race for super sprint cars at the Tri-City Speedway, 5100 Nameoki road.

Warmup will begin at noon, qualifications at 1:30 p.m., and racing at 2:30.

Spalding presently leads the point race at the track, but only a narrow margin separates him and Bill Utz of Sedalia, Mo.

Utz, called the Flying Blacksmith because of his blacksmith business in Sedalia, has not appeared at the local track during the past several races but is still within reach of the point crown. He has 2330 points compared to 2410 points for Spalding.

A successful day Sunday could easily gain Utz the winner's share of the \$1000 prize money in the point fund.

The race for second place also includes Jimmy Moughon

WIB SPALDING

of Springfield, currently in third place with 2020 points for the year. Breathing down his neck is Dick Sutcliff of Kansas City, Mo., 1680, winner of the race two weeks ago in which Spalding was injured.

Tied for fifth place are Russ Hibbard of Slater, Mo., and Jerry Camfield of Argenta with 1440 points each. Junior Dietzel is seventh with 1330, and a victory Sunday afternoon would put him in position for a share of the prize money.

Also slated to appear in the championship race are Bobby Jones of Danville, Roy Hibbard, 1960 track champion, and others. Thirty to 35 super sprint cars are expected.

GCHS Cross-Country Defeats Collinsville

The GCHS Warrior cross-country team, under the leadership of Coach Dick Harmon, defeated Collinsville 28-20 in a close meet here Monday.

Jim Habs of Collinsville came in first and set a new course record of 13:15.

Bringing the harriers to another victory were Gene Briggs, 3rd, 13:42; Doug Horton, 4th, 13:54; Howie Bryant, 6th, 14:22; Geoff Lux, 7th, 14:26; Scott Schneider, 9th, 14:31; Tom Bull, 10th, 14:57; and Art Menendez, 11th, 15:03.

The junior varsity also won its meet against Collinsville, 22-9.

Mike Adams was 1st in 15:11; David Street 3rd, 15:37; Bruce Barge 4th, 15:38; Bob Prill 6th, 16:13; Mike Menendez 8th, 16:37; Doug Roy 9th, 16:58; and Rich Chandler 11th, 17:18.

The Warrior harriers will take on Edwardsville here at 4 p.m. today.

MHS Cross-Country Defeats Marquette

The MHS cross-country team of Coach Larry Graham defeated Marquette at Alton 26-29 over a distance of 2.1 miles Tuesday.

Ray Dailey finished 1st in 13:30; Curtis Hand 4th in 13:35; Albert Wise 6th in 13:42; Robert Soles 7th in 13:47; William Snell 8th in 14:07; Miles Turner 12th in 14:50 and Gary Hanneke, 13th in 14:56.

The times were slowed by a rainstorm.

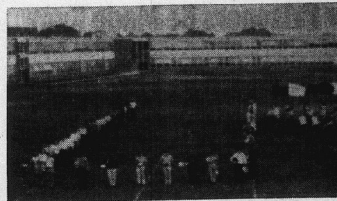

Madison will run against Western Military at Alton at 4 p.m. today.

U. S. FORMATION being practiced by GCHS band. The band is preparing two special programs for this Saturday afternoon's game against Cahokia.

Warriors Host Speedy Cahokia on Saturday

Power vs. speed will be tested when the solid Granite City Warriors take on the fleet Cahokia Comanches here at 1:30 p.m. Saturday.

Each team is undefeated. GCHS won 14-0 at Decatur last weekend while the Comanches crushed Collinsville 46-6. Last year, the Comanche record was 4-5 against a strong schedule; Cahokia, formerly of the Midwestern Conference, is undefeated and will join the Southwestern Conference in 1971-72.

Coach Wally Westbrook, in his fifth year at Cahokia and his second year as head football coach, comments, "The

Warriors will be a tough team to beat. Our team is too small to run many plays through the line.

"We hope to play a sound but flexible game. Many of our players have to go both ways on offense and defense.

"We have 12 returning lettermen and I have gained a better knowledge of my players, which will help.

Cahokia End Injured

"We will miss Melvin Wells, who was a tremendous end, probably the best in the area; due to an injury, he will be out of action."

The probable starting line for the Cahokia offense will see: Rich Myer, 160-pound senior, at left end; Fred Bogard, 175, junior, right end; Mike Mayville, 185, junior, right tackle; Charles Taylor, 190, senior, left tackle; Dennis Peary, 160, senior, left guard; Kerry Luster, 160, senior, right guard; and Steve Hooch, 175, 6-2, junior, center.

In the backfield will be Dave Rowland, 170, junior, or Tom Walker, 150, senior, at quarterback. Both are skilled at the position.

At left halfback will be Don Hart, 150, senior; right halfback, Dan Hill, 165, senior; and fullback, Eugene Connor, 160, 5-10, senior.

The defense for the Cahokia Comanches will include, at left end, Gerald Sumner, 6-1, 170, junior; right end, Leon Lee, 6-4, 185, junior; Charles Taylor, right tackle; Earl Nicholson, 6-3, 250, junior, left tackle; Tom Walker will play safety.

Halfbacks will be Don Darnell, 160, junior, and Mike Linbackers will be Don Underhill, 5-10, 165, junior, and Hill.

A mainstay of the Comanche defense will be Primus Jones, 200, senior guard.

Stress Blocking Drills

Warrior head football coach Wayne Williams told the Press-Record this week, "The Warrior offensive teams need a lot more work and the line blocking has not been adequate.

"This may be a contest of power for the Comanches, Cahokia has good outside speed, and a really fast backfield.

"A favorite play they use is a 'play action pass' where they fake like a run and then pass. The Warriors will have the same starters as in the Stephen Decatur game. Although Halfback Kevin Dyer is out of action for the season, due to illness, Stan Staydhar did a fine job."

Warrior fans are being reminded that it is an afternoon game Saturday, with kickoff time at 1:30 p.m.

The GCHS band has prepared a special pre-game show that will start at 1:15 p.m., as well as a halftime program.

On Friday, Oct. 2, the Warriors will travel to Collinsville for a league game beginning at 8:30 p.m.

—a pre-game show with a patriotic theme and a halftime salute to the fiftieth anniversary of Warrior football.

Celebrate GCHS Grid Golden Anniversary

Fans attending the Warrior game against Cahokia here Saturday afternoon will have an extra attraction provided by the GCHS band.

A pre-game show will feature precision drills to the tune of the "Battle Hymn of the Republic." Based on a patriotic theme, the pre-game show will also see the band make a "U. S." formation and play the national anthem.

Following this, the traditional victory lane will be formed for the Warrior football team to run through.

The halftime show will mark the 50th anniversary of the football Warriors. Pep songs, including such favorites as "Down the Field" and "Football Hero," will be played by the 124-member band. The halftime will open with a precision drill to tunes from "Sound of Music."

This year, 12 flag carriers will march with red, white and blue flags flying.

The pre-game show will begin at 1:15 p.m. Saturday at the GC high school football field. Game time is 1:30 p.m.

MHS Movie May Make Maplewood Miserable

The Madison Trojan football team and its coaches have been "turning the midnight oil" studying movies showing flaws in last week's game, a 36-15 loss at O'Fallon, to avoid similar mistakes against Maplewood this Friday evening, Sept. 25, at Maplewood, Mo. Game time is 8 o'clock.

Coach Al Vander Haar notes, "We had to use a lot of sophomores, who made mistakes that

the films of the game are revealing. If anyone remembers his assignments Friday night, we should do all right against Maplewood."

"We tried a lot of new things at the last minute last week. This week, we'll try to play a strong running game."

As to the starting lineup for Madison, Coach Vander Haar says it will be basically the same as last week.

He believes that "Maplewood's strongest point is the interior line."

"They play a rather strange defense with a 6-2-1-1-1. They have a six-man line, with two linebackers on the Madison strong side and very little on the other side of the line. This overloads the strong side."

"The style requires both linebackers to be quick, as they have to go either way. With that type of play, our passing should get a lift."

Blue Devils 3-4 Lossers

The Maplewood Blue Devils, under Coach Tom Telle, lost their opening game to St. Louis Southwest High 28-0.

"This is not an indication of weakness," according to Madison Coach Vander Haar. "Southwest high in St. Louis normally has a strong team."

"The Blue Devil record for 1969 was 5-4. This is Coach Telle's first year with Maplewood; he has been coaching for nine years and comes from Poplar Bluff, Mo."

Telle told the Press-Record that his team will vary its style of play, depending on the opponent's style.

Maplewood has only five returning lettermen. Denny Goggin, 6-6, 185, junior, defensive half, will be dividing many of the offensive duties with Quarterback Larry Todd, 5-9, 145, senior.

The Blue Devil backfield also will include Fullback Bob Whitaker, 5-9, senior; Bill Hayles, 5-8, 160, sophomore, tailback; and Mike Fuhrman, 5-8, 140, junior, flanker.

The starting line for Maplewood will be: right end, Ray Trought, 6-1, 175, senior; right tackle, Ray Romeo, 6-0, 190, junior; right guard, Kevin Hummers, 6-0, 190, senior; center, Tom Grommet, 6-0, 175, junior; left guard, Kevin Burgess, 5-11, 170, junior; left tackle, Tom Vance, 5-11, 175, junior; and left end, Chris Spikes, 6-0, 180, senior.

Coach Telle will be using primarily the same team for both offense and defense. Maplewood plays in the South Suburban Conference.

Southwest Loop Expands To 9 Schools

The Southwestern Conference, to which the Granite City Warriors belong, was expanded Monday from six to nine teams for the 1972-1973 season.

Added to the conference will be East St. Louis Lincoln, Belleville East and Cahokia. Wood River is leaving the conference, which will change from seven to nine members.

Membership on a probationary status was granted by a two-thirds or higher vote of 12 voting delegates who are principals and athletic directors.

After a two-year probationary period, another vote will be taken; a three-fourths vote is required to gain full membership.

Due to present two-year contracts of existing conference teams, the new members must wait until 1973-74, allowing time for member schools to clear their schedules.

Attending the meeting at Belleville West from Granite City were L. C. McCauley, high school principal, and Joseph S. Fedora, director of athletics.

Schools in addition to GCHS include Alton, Belleville West, Collinsville, East St. Louis and Edwardsville.

Cougar Harriers Defeat Greenville

Tom Terri, Springfield Griffin's contribution to the SIU-SU cross-country team, placed the Cougar harriers to a 23-7 victory over Greenville College Monday.

He finished the four-mile course on the local campus in 22:15. Gerald Hull of Granite City was seventh.

The victory gave the Cougars a 2-0 record as they prepare to journey to northern Illinois Saturday to compete in a six-team meet at North Central College in Naperville.

Schuster Again Heads Credit Systems Board

Emil E. Schuster, 3725 Fair Oaks drive, was re-elected yesterday as chairman of the board of directors of Credit Systems, Inc., which operates the Master Charge (formerly Bankmark) credit card program.

A vice-president of First National Bank in St. Louis, Schuster was re-elected at the annual CSI meeting in St. Louis. It was noted that the Master Charge business volume reached record levels in fiscal 1969-70, increasing to an annual rate of over \$20 million. There are 519 participating banks, 18,300 merchants with 28,000 retail outlets, and 580,000 active cardholders.

Columbian Election

Officers of the Columbian Home Association will be elected at a meeting tonight at the Knights of Columbus hall. The K. of C. Fourth Degree will install its officers Oct. 15 at the local hall. K. of C. members are being invited to attend as guests of the Fourth Degree, and a dance will follow. John Tristich will be chairman of the K. of C. booth at the United Fun Fair Oct. 3-4.

Venice School Board Buys Driver Ed Car

The Venice board of education authorized a contract with Brewer Motor Co. of Granite City to furnish a driver education vehicle for the 1970-71 school year at a cost of \$460 for the nine-month period. The decision was taken at the board's regular meeting Monday evening.

Venice school district last year leased an auto for the driver education program from a St. Louis car dealer, paying a rental fee of \$100 monthly. Assistant Supt. Robert N. Vickers advised the board.

Purchase of a 16 mm projector for use at the Venice grade school was approved at a cost of \$355, with the equipment to be obtained from Graham's Book Store.

Authorization also was given by board members for Venice school district to participate in the federal government's Title II program, which provides funds for library books and visual aids. Financial transactions included repayment transfers to the working cash fund of \$60,000 from the educational fund; \$43,671 from building; and \$18,418 from Venice-Lincoln Technical Center fund. A total of \$18,000 was transferred from working cash to the Venice-Lincoln fund and \$5000 to Title I fund.

State Acquires

sphagnum moss, usually found in northern bogs.

Clear Stream, Sheer Walls. The canyon's main gorge—its most eye-filling feature—cradles a clear-running stream beneath sheer sandstone walls rising to 100 feet and more.

Along the bluff ledges botanists have identified unusual northern relic plant populations of Ice Age origin.

The open and closed gentian and yellow trumpet honeysuckle flourish in the canyon, as do three kinds of ground pine and 12 native orchids.

Parcels totaling 1158 acres will make up the Heron Pond preserve, which was purchased by the department for the Illinois Nature Preserves Commission under a land acquisition partnership now in its second year. Sellers included three individuals, a lumber company and the Natural Land Institute of Rockford.

John Schwegman, preserves commission field representative who was active in negotiations at all three sites, said Heron Pond is distinctive as an example of rapidly vanishing swamp and wetlands environment.

Wildlife residents include the great blue heron, American egret, bird-voiced tree frog and cottonmouth water moccasin.

Also placed under the commission's aegis for master-planning is the Falls Hills Prairie site and its associated Kilde Lake marsh.

Located a mile east of Falls southwest of Waterloo, it is noted by naturalists for several locally uncommon amphibians and reptiles—like the coonhound snake, narrowmouth toad and the plains scorpion and what may be Illinois' largest nesting colony of Florida gullinules.

Corrigan said both the bluffs and marsh areas cover 580 acres. Two land-owners were involved in the sale to Illinois.

Environment Threatened. Malkovich said all three areas were threatened to varying degrees by intervening forces that would have destroyed their environmental integrity.

"At Lusk creek, it was a dam. At Heron pond, it was the possibility of timber cutting or drainage for development. At Falls, the problem could have been from rock quarrying."

Malkovich said plans are not complete for all of the Lusk Creek canyon, but that its 40-acre heart — the Lusk Creek gorge — will be made a preserve.

Bubblemasters to Aid Current River Cleanup

About 30 divers from the Bubblemasters 5 Club a Diving Club of Granite City will aid Missouri Conservation Department rangers this weekend in retrieving trash and clean debris from a section of the scenic Current River, near Eminence, Mo.

Dr. Chris Geroff, Bubblemasters president, said the two-day dive will take place on a stretch of the Current River between Jack Forks and the Owl bend area. The region is well-known for float-trip excursions.

The local club has invited divers from the Mid-West Diving Council to assist in the project, Dr. Geroff said. It is hoped that scuba crews from clubs in Kansas, Oklahoma, Arkansas, Illinois and Missouri will join forces with the Bubblemasters, he added.

Divers are asked to assemble at 9 a.m. Saturday and Sunday, where Highway 106 crosses the Current River, about 12 miles east of Eminence, the official said.

City Names Committee For Diamond Jubilee

A committee to work with the Granite City park board in planning a joint city-park district observance of anniversaries next year was appointed by the city council Monday night.

Granite City will mark its 75th anniversary next year, while the park district will observe its 50th year in operation.

Mayor Donald Partney told the council that he believed the city and park district should plan a joint program to mark the events.

The city committee includes Aldermen Gerald Parnley, William Dallas and Paul Schuler, with Mayor Partney serving as an ex-officio member.

The council also appointed a committee to develop a franchise with the East St. Louis & Northbrook Water Co. Members of this committee are Aldermen Charles Moerlein, Parnley and Sam Whitmer.

Resignations of Two Policemen Accepted

Resignations of two Granite City police officers were accepted by the city council Monday night.

The resignations were submitted by letter, filed as communications with City Clerk Robert Stevens.

John Patterson, 2200 Iowa street, said he was resigning because he felt he could not execute the duties of the job impartially, while Elwyn E. Dickey said he was planning to accept a new job in another city and another state.

Mrs. Meyer to Head Chamber Women's Unit

Mrs. Charles (Jo) Meyer, Illinois Power Co. home economist, was elected Monday night at the Rosebowl as 1970-71 president of the Women's Division, Chamber of Commerce of the Tri-Cities. She succeeds Dr. Felicia Koch, the charter president.

Other officers are Miss Hilda Schroeder of Holiday Service, vice-president; Miss Dorothy Davis of Illinois Power Co., secretary; and Mrs. Mary Blankenship, treasurer.

Boards members are Mrs. Margaret Lee, Mrs. Nigel Maera, Mrs. Sara Dempsey and Mrs. Lois Adams.

The Women's Division reviewed progress of its beautification program for Broadway, Madison avenue and Namook road. It was noted that detailed landscape architectural designs are being assembled for the division's auction to be held at the United Fun Fair, it was reported. The fair will take place Oct. 3-4 at the Wilson Park ice rink.

employees. The workers will be paid the \$15 per month for the period May 1 through Oct. 31, and will receive an additional \$15 per month for the \$30 total effective Nov. 1. The fiscal year ends April 30.

The shortage of money to most payroll checks issued Sept. 15 resulted from another dispute between the mayor and the Finance Committee over the salary of Leon Scroggins, who has resigned as city attorney but who continues to serve until he is replaced.

In approving the payroll accounts, the Finance Committee, headed by R. E. Robertson, reduced Scroggins salary check to \$25 for the first half of September. Under last year's budget, Scroggins received \$320 semi-monthly, but the new budget cut the legal department salaries by half.

Partney refused to sign the smaller check for Scroggins and, in addition, refused to sign fund transfers necessary to divert monies from regular accounts into the payroll account.

Monday night, Charles Moerlein submitted for approval payroll accounts in which Scroggins pay had been increased to the \$320 level. Moerlein, submitting the accounts in Robertson's absence, told the council that the Finance Committee had reconsidered and made the change.

Partney, in response, signed the fund transfers to meet the payroll checks.

Michael Ellis Promoted; Stationed in Germany

Michael Ellis, stationed with the 27th Artillery in Friedberg, Germany, has been promoted to Sgt. E-5.

Ellis is a son of Mr. and Mrs. Lawrence Ellis of Troy, formerly of Granite City. Sgt. Ellis entered the Army in March 1969 and has been stationed in Germany since August, 1969.

His wife, who is with him in Germany, is the former Kathy Wasylak, a daughter of Mr. and Mrs. Charles Wasylak, 2225 East 25th street. The couple is expected to return home in March when Sgt. Ellis will receive his discharge from the Army.

Funds Provided For Johnson Rd. Signals

The city council appropriated \$7500 in motor fuel tax funds Monday night to provide the full amount of money necessary to install traffic signals at Johnson road and Wabash avenue.

The action was taken after receipt of a notice from the state highway department that the project has been approved, subject to the city paying the full cost of the project. Estimated total cost is \$14,719.

Kenneth Kleeberger, city consulting engineer, said the appropriation supplements an earlier one in a similar amount. He said the appropriation was only a formality since the money is used as needed out of the motor fuel tax account and only the amount actually spent will be billed against the fund.

Open House at Ranch

Foreign Exchange Tour Group Feels 'Trip Worth While'

By GARY SCHNEIDER
Press-Record Staff Writer

"It is worth coming from Europe to see this achievement," Antonious (Tony) Douma, 28, of Holland, said while visiting the St. Louis Arch this week.

Douma was among 11 young people from Europe visiting here this week as part of an exchange program.

As guests of the Central Christian Church, the group stayed in Granite City Monday through Wednesday and had the opportunity to talk with many local people.

Highlight of the trip was a visit to St. Louis Tuesday in which most of them visited the Old Cathedral, toured KMOX television station, rode through the St. Louis Arch and had an opportunity to shop in the St. Louis department stores.

In St. Louis, they were impressed by the hospitality they were shown. During the lunch hour, the group leader asked a policeman directions to the post office and was told that it was 12 blocks away. In the rain, several started the long walk only to be stopped by the officer in a patrol car and given a ride to their destination.

Friendly People

After concluding their business, a shopper offered them a ride back to the downtown shopping area where they met the rest of the group.

"Very friendly people here," was the conclusion reached by Verheyen.

The young people were guests in several homes here, providing them an opportunity to become well acquainted with their hosts. In most homes the discussions turned to politics, religion and morality as the foreign visitors sought to better understand the United States. In turn, the hosts were treated to descriptions of life in Germany, Holland and Sweden.

FOREIGN VISITORS staying in Granite City this week enjoyed a trip to St. Louis which included a tour of the old Cathedral and a ride through the Arch.

He wanted a quart of oil divided between the two station wagons in which the group was traveling.

The attendant insisted that he could not sell one-half of a quart of oil, but finally relented. These and other incidents were taken in good humor by the young people and were substance for discussion at the group exchanged experiences at the end of each day.

Monday evening, people were guests of the church for a pot luck supper hosted by the Young Adult Class.

Communication Difficult

Group leader Francis Verheyen, 26, of Holland, found it a communication difficult in a local service station as he tried to explain to the attendant that

quainted session in a local restaurant.

The Christian Church of Madison was host for dinner and entertainment Tuesday evening after which they returned to Granite City for a farewell party.

Wednesday morning, they left for Chicago and New York. Most will leave New York for home Sunday and will return to their countries with many stories to tell of their summer in Mexico and the United States.

Tax Rise Far Above Prices, Speaker Says

Tax costs in Granite City township have skyrocketed by 89.3% since the 1947-49 period, compared with a 66.5% rise in the consumer price index.

Increasing cost-of-living increases for the same area, William F. Hoelscher, manager of the Manufacturers Association of the Tri-Cities and executive secretary of the Taxpayers Expenditure Survey Committee, told a meeting of the Rotary Club in the YMCA Tuesday noon.

Hoelscher, who told the Rotarians that "No man can escape death and taxes, but death doesn't get any," said that since the 1947-49 period which is the 100% basic period for computing cost of living increases, the consumer price index shows living costs had risen to 166.5% as of July 1 this year.

Taxes, on the other hand, increased over the period in Granite City from a total billing of \$904,037 for all tax agencies in the township in the 1947 collection period, to a total of \$9,882,938 extended for collection this summer. This represents a 983.5% rise.

During that same period, Hoelscher said, the combined tax rate of all five tax agencies in Granite City increased from \$1.76 for the 1947 collection period to \$5.47 for the assessed valuation this year.

The recently organized Taxpayers Survey group is dedicated to keeping a watchful eye on tax operations of area taxing districts, and said such activities will become more and more necessary as costs of government operation continue to increase.

Future Homemakers to Aid Cystic Fibrosis

Members of the Future Homemakers of America organization at Granite City school have volunteered their services this weekend to solicit funds for the National Cystic Fibrosis Research Foundation.

Mrs. Alice Worthen, drive chairman for Madison county and the Granite City area, announced today.

The girls will be stationed at suburban shopping centers with official canisters, asking shoppers to donate funds to the local Cystic Fibrosis drive, the chairman said.

Several FHA members also plan to conduct a door-to-door march, seeking contributions from area residents to help the foundation's work in aiding stricken children. Visits to local residences also will take place this weekend, Mrs. Worthen advised.

Among those participating in the Cystic Fibrosis fund-raising project are Carolyn Farlow, FHA president at the local high school, and Brenda Sullivan, Debbie Martin, Pam Stark, Debby Mezo, Sally White, Linda Sullivan, Kathy McGovern, Terri Jansen, Debbie Watkins, Sally Gottleman, Joyce Johnson, Beth Dierff, Debra Walker, Barbara Gaines, Nancy Hamilton, Debbie Portell and Sherry Wilson.

Arrangements for the FHA group's participation were made through Miss Andrea Tharp, the CCHS-FHA adviser, Mrs. Worthen said.

Plan Safety Program For Bicycle Riders

Paul Powell, secretary of state, and Ray Page, superintendent of public instruction, announced at a joint press conference a co-ordinated safety program for elementary grades of public, parochial and private school systems in Illinois.

Bicycle Rules of the Road, a new booklet published by the secretary of state's office, will be used in conjunction with a bicycle and pedestrian safety program developed by Superintendent Page for introduction into the school systems this semester.

Secretary Powell explained that Bicycle Rules of the Road is a driver's manual for bicycle riders.

"Although it is designed especially for boys and girls in the elementary school grades, it also contains information of interest to older riders. A chapter for parents informs them of their responsibilities and tells what they need to know to safeguard their children," Powell said.

Page commended Powell for recognition of the bicycle safety program and his initiative in developing Bicycle Rules of the Road, the first of its kind in the nation.

"Both Mr. Powell and myself are convinced that a co-ordinated effort in this endeavor is the best possible approach to the problem. Therefore, I am introducing a program based upon this concept in conjunction with the availability of the secretary of state's official bicycle rules of the road publication," Page said.

Secretary Powell explained that traffic laws, highway signs and traffic control signals apply to bicycles as well as to automobiles, and that safety rules will prevent accidents if they are carefully observed. Bicycle Rules of the Road explains these rules in a manner easily understood by school children as well as their parents.

Driver Jailed, Fined After Leaving Scene

Vernon Dale Blankenship, 19, of 1412 Third street, was sentenced to four days in jail and fined \$100 plus costs on a charge of leaving the scene of an accident, Tuesday afternoon in the court of Magistrate Joseph Kelleher.

He pleaded guilty to both charges. He was arrested for leaving a collision with an auto driven by Ernest G. Walker, 2555 East 25th street, at 5:40 p.m. Saturday at East 25th and August streets.

'War Between the Bands' Set Sunday at Park Rink

Deadline for area music groups to register for Sunday's "War Between the Bands" at Wilson Park rink pavilion has been extended through Saturday, John Fornasewski, chairman of the Granite City Jaycees' youth project, announced today.

The contest, which is open to the public will start at 1:30 p.m. Sunday.

Band members must register their group for the event by 5 p.m. Saturday at Fornasewski's Music Store, 3099 N. Main.

Older entertainers performing with a band are required to be 13 years old and not over 19 years of age by Sunday's contest date.

Pop-rock and folk groups will compete this year for cash awards, totaling \$150, the chairman said. First place prize money will be \$100.

Runner-up group receiving \$50.

Competing groups in the 1970 contest will include the "Burton Route," winner of the 1969 bands battle, Fornasewski announced. Other bands registered so far are the "Early Apparition" and the "Collegebrew" group.

Guest Bands To Perform

Guest bands will perform for dancing in addition to those competing in the Jaycee contest, Fornasewski said. A 25-cent discount ticket, available free from contestants or at the music store, may be applied to the \$3.50 admission charge.

Prize money has been donated by Glick's Department Store, Fornasewski's Music Store and Granite City Trust and Savings Bank, Jaycee officials announced. A panel of judges, including several professional musicians, will evaluate the performances, the project chairman said.

National Dental Lab Manpower Conference Here

A national manpower conference in dental laboratory technology will be held Sept. 30, Oct. 1 on the Southwestern campus of Southern Illinois University.

Sponsors are the SIU-SW School of Dental Medicine and the university's Office of Development Studies and Services office. A grant from the Public Health Service is financing the program.

Two members of the School of Dental Medicine, Dr. James D. Harrison and George P. Mancuso, are coordinators of the session. Joining them in a staff position will be James L. Goff, public health advisor, Division of Dental Health, U. S. Public Health Service.

The 24 conference participants, who include Dr. Albert Triant of Granite City, will discuss in group sessions the role of the dental laboratory technician in a dental practice; development of career program; and future manpower needs of the industry.

Group session reports will be presented at the concluding session. The reports will be compiled into written form and distributed nationally following the conference.

Participants in the conference come from practicing dentistry, dental education programs, dental laboratories and national dental associations. They are from 16 states, including California and New York.

Teenagers, Aldermen Trim The Communications Gap

By VALERIE EVENEDEN
Press-Record Staff Writer

It was an exercise in semantics, with a little horse-sense, a considerable amount of discussion thrown in for good measure when Madison city aldermen made a valiant effort to answer questions posed by three high school girls after last week's council meeting.

The students, Linda Bukovich and Bobbie Pearce of Madison and Pam Cruise of Granite City, all seniors at St. Teresa Academy, attended the council meeting as observers and later were invited to quiz the aldermen.

They reported preparing the questions as part of a political science class study. The project also included gaining permission to work with an alderman from their own ward in support of a U. S. senatorial candidate in the Nov. 3 general election. All the aldermen agreed to assist the girls in the latter program.

The questions posed by the students and the answers volunteered by the city officials were varied and interesting. A summary of the points discussed, follows:

Duty as Politician

Q. What is your first duty as a politician?

Second Ward Alderman Richard Kinsner—"To present a very sympathetic and understanding ear to those I represent, whether it is toward a suggestion or a problem. To show a personal interest in them and reflect their attitudes and opinions."

Fifth Ward Alderman John Haynes—"I believe we are here to protect life and property."

Q. Do the personal feelings tend to interfere with your duty as an alderman?

Second Ward Alderman Donald Broyles—"You have to leave personal feelings out of situations sometimes for the good of the majority."

Q. Why are you in politics?

Third Ward Alderman Stanley Krakowick—"I believe in taking part as a citizen of our city. Just like the United Fund and hospital fund raising drive—you get in and see how things are operated."

Third Ward Alderman Raymond Kozielek—"I think it is a life-long resident. I have a personal satisfaction in taking part in making our city a better place in which to live."

Has Own Ideas

Asked if he finds it difficult to follow the 28-year tenure of the late Stephen Matras and what his plans are for the community, Mayor Sasyk replied, "I am of a different breed and I have other ideas on how I would like to manage a city. I am trying to introduce a lot of new programs with an emphasis on youth."

In reference to an apology made by one of the students, who referred to the aldermen as "older men," Alderman Haynes commented, "I am honored to be called an old man. With age you gather wisdom."

The council's senior alderman, replying to another question, noted—"the same issues face us today as were present when the Klu Klux Klan was here. A modern-day version of the Klu Klux Klan and its violent acts still is with us. I believe the Black Panthers are just as detrimental to our country."

Asked if a woman could fill the office of alderman as well as a man, one council member said, "As a married man I could get into a lot of trouble from this, but I do not believe so. I don't think a woman would weigh the facts as well as a man. They get emotional and would make too hasty a decision."

Only Radicals Shown

Speaking to the students about campus demonstrations, Alderman Broyles stated—"I don't know what they are demonstrating about most of the time. They caused a big ruckus over Vietnam, but it would be something else if not the war."

Peaceful demonstrators are ignored, only the radicals are shown and given publicity by the news media."

Discussing the attitudes of youth toward authority, Bobbie Pearce said, "Only two-percent of youth today are really militant, such as the campus radicals. The majority has respect for their elders. After all," the student added, "your generation gave us everything we have today."

"I do believe that youth today needs more responsibility given them," another girl stated.

Queried in turn by the aldermen on why Madison youth "wants to leave the community," the students said that many young people go to neighboring communities for entertainment. They were informed that teenagers will be encouraged to take part in arranging future programs at the Madison Teen Town Center and in other activities.

Planning New Activity

"We are going to keep our kids here," Mayor Sasyk said. "In fact, we are thinking about starting a night club-style activity, just for young people."

Alderman Kinsner noted that many Madison youth move from the community after graduating from high school or college. "Why is this?" he asked.

Linda Bukovich answered, "It seems that Madison is losing into an older person's town. All the young one's move out, whether it is for better jobs, I don't know," she added.

A general discussion on the varied viewpoints of youth concluded the informal council meeting.

150 Adult Educators At Regional Meet

Dr. Arthur Burrichter of the College of Education, Florida Atlantic University in Boca Raton, former director of Adult Education at Northern Illinois University, was among several guests to address the fall conference of Region III, Public Adult and Continuing Educators Association of Illinois (PACE).

The conference, held at Pere Marquette Lodge, Grafton, attracted more than 150 educators from southern Illinois.

R. Duane Rankin, Venice-Lincoln Technical Center administrator, served as coordinator for the two-day series of Friday evening. Also heard by Dr. Cameron Meredith of Southern Illinois University-Springfield, was the principal speaker at a banquet Friday evening. Also heard by the conference was an address by Dr. Fred Wellman, executive secretary of the Illinois Junior College Board.

Rankin explained the state association was formed last year. The weekend conference was the first conducted for adult educators in Region III, comprising the southern half of Illinois. Primary objective of the PACE organization is to provide leadership in the development of Adult Education within the state of Illinois, the Venice administrator noted.

Instructors from various adult training centers were represented on panels which led discussion sessions during the two days. Group leaders from Venice-Lincoln Technical Center included Miss Carol Murphy, who headed the "Child Care" seminar; and Miss Darlene Davian, one of three leaders in the "Vocational Training" session.

E. L. Wilbur Trimpe, Madison county superintendent of schools, was one of three administrators who led discussion on "Administrative Personnel." Other workshop sessions focused attention on such topics as "Supportive Personnel," "Night School and Junior College Programs," and "Academic Education."

SOCIETY

GRACELAND SOCIETY HOLDS INSTALLATION

A candlelight installation was held by the Ladies Missionary Society this week at Graceland General Baptist Church, 205 Johnson road, with Mrs. Anita Harley, guest speaker, presenting the charge to the officers. Installed were Mrs. Wilma Leavitt, president, Mrs. June Perkins, vice-president and song leader, Mrs. Jean Dickerman secretary, Mrs. Pat Campbell treasurer, Mrs. Wanda Faith spiritual life leader, Mrs. Shirley Caldwell love gift chairman, Mrs. Lorene Fox program chairman and pianist, Mrs. Leona Angle special mission chairman, Mrs. Ova Brown publicity chairman, Mrs. Mary Kneen librarian, Mrs. Mary Kellough assistant librarian and Mrs. Sue Donithan, special family chairman.

Mrs. Charles Reese and Mrs. Linda Hoffield were honored for heading a project to provide altar materials and baptismal robes. Rev. Leo Perkins offered a prayer of dedication.

Rev. and Mrs. Perkins were honored on their 24th wedding anniversary at a surprise shower at the home of Mr. and Mrs. Gary Browning, 852 Thorgate drive. Gifts were presented.

Attending the shower were Clark Lincoln, Everett Feltmeyer, Julie Faith, Louis Joiner, Carl Caldwell, Gene Donithan, Clyde Miller and Joe Fox and their wives, Faith, Miller and Browning children, Ken Perkins and Miss Brenda Reese of Buena Vista, Va.

WHITTE BY WHITTE
HONORS MRS. RAGSDALE
The Whittle by Whittle club met Monday evening at the East Side Levee office with the leader, Mrs. Pat Peio. She and Mrs. Shirley Sobolewski conducted a weigh-in. Mrs. Mary Free called roll and Mrs. Ruth Hubbard gave a treasury report.

Mrs. Diana Ragdale was crowned "queen of the week" and "queen of the month." She received her crown from Mrs. Sobolewski. The new queen was presented a fruit basket, a gift, and the club's crown pin to wear during her reign.

A gift went to Mrs. J. Gips. Mrs. Phyllis Barton received an achievement charm from Mrs. Sobolewski.

Guests introduced were Mrs. Ruth Neil and Mrs. Harriet Gaslow. Mrs. Marilyn Beyer was registered as a new member.

The new club banner was displayed by Mrs. Evelyn Isaac, who made the banner along with Mesdames Polo, Besulah Krause, Jo Gipsen and Virginia Kotter.

A new weight loss contest was begun: it will end Halloween week. The club was divided into two teams, and the winning team will be honored at a party hosted by the losing team.

BONDS FOR BRACES presentation here Tuesday. Eleven Job's Daughters betheles in this region gave a U. S. savings bond to help finance the Shriners Hospital for Crippled Children. Pictured (left to right) are Honored Queens Jamie Deucker of Altoon, Cunningham of Collinsville, Jan Murray of Edwardsville, Margie Moffett of Highland and Karen Kloos of Lebanon; Anand Temple Chief Rabban Charles Wagner; Kristie Christich, honored queen of the host Granite City Bethel 43; Bob Cook, chairman of Bonds for Braces; and Honored Queens Brenda Johnson of East St. Louis, Debbie Holman of O'Fallon, Vicki Klaas of Belleville, Emalie Burks of Columbia and Karen Laster of Wood River.

EDUCATION SECRETARIES DISCUSS AFFILIATIONS

The executive board of the Granite City Association of Educational Secretaries met Tuesday night in the home of Mrs. Martha Rochester, 2028 Madison avenue. The hostess, president, conducted the meeting.

State and national affiliations were discussed, and a tentative budget was prepared for presentation at the next meeting Oct. 5. Attending were Mesdames Catherine Wittevrongel, Arlene Haldeaman, Candy Kawala, Ethel Weiss and Jeanie Patton.

The group will hold its next meeting at the state service and demonstration center located at Parkview school. W. Richard Brinkhoff, director of the center, will present the evening's program.

Job's Daughters Give Bonds to Aid Crippled

Bethel 43, Granite City, of the International Order of Job's Daughters was host to 11 betheles from the surrounding area for a "Bonds for Braces" program Tuesday evening at the Masonic Temple. There were 180 in attendance.

Honored queens escorted were Vicki Klaas, Bethel 24, Belleville; Jan Murray, Bethel 72, Edwardsville; Debbie Holman, Bethel 67, O'Fallon; Emalie Burks, Bethel 65, Columbia; Brenda Cunningham, Bethel 25, Collinsville; Karen Laster, Bethel 88, Wood River, Margie Moffett, Bethel 91, Highland; Brenda Johnson, Bethel 20, East St. Louis; Karen Kloos, Bethel 92, Lebanon; and Jamie Deucker, Bethel 95, Altoon.

Past honored queens introduced were Mrs. Eleanor Todor, Bethel 43, Granite City, director of music; and Jackie Schmitt and Susie Burroughs, Bethel 42, and Karen Laster, Bethel 88, Wood River.

Princesses and past princesses were escorted from each bethel along with an honorary state representative from Wood River and a state officer from Collinsville.

Mrs. Norma Mohler was introduced as grand chaplain, introduced by Bethel 95 and won by matron, Alice chapter, and Bernard Sandier as grand senior custodian, associate bethel guardian and worthy patron, Order of Eastern Star, Edwardsville.

A worthy matron and worthy patron introduced from Granite City Chapter 650, Eastern Star, were Mrs. Mary Blirbey and Earl French. Mrs. Lucille Lipe was introduced as worthy high priestess of Gabriel Shrine 78.

Also introduced and escorted were Charles Wagner, chief rabban of Anand Temple; Russell Maxwell, administrator; and Bob Cook, chairman of Bonds for Braces.

Guardians escorted were Mrs. Jerry Mehrmann, Bethel 24; Mrs. Ruby Bratton, Bethel 72; Mrs. Charlene Tucker, Bethel 91; Mrs. Mary Laster, Bethel 92; and Mrs. Nell Beakley, Bethel 43.

Associate guardians escorted included Dr. E. H. Theis of River View.

All eleven betheles presented a "bond for braces" to the Shriners Crippled Children's Hospital. Eighteen years ago, this program originated in the local area and it is now being made a state project.

The honored queen announced that tickets for a sausage supper are available. It will be held Oct. 26.

The Job's Daughters volunteered to collect for "Alasac" on Dec. 2.

The next meeting will honor parents and grandparents. "The librarian gave a report entitled "Reading" and a report was made on a picnic held for the choir at Wilson Park, Sept. 13.

Remarks were given by Charles Wagner, Mrs. Baskette Cook, Dr. Ames Rode, Miss Emalie Burks, honored queen of Columbia, and Miss Christich.

Food was served in the dining room and Cook showed slides of the Shriners Crippled Children's Hospital.

Next meeting will be Oct. 13.

ANNOUNCE FIRST CHILD
Mr. and Mrs. Paul J. Hornberger, Route One, Troy, Ill., former Granite Cityans, are announcing the birth of their first child, a son, Paul Joseph Jr., weighing eight pounds, four ounces, Monday at St. Elizabeth Hospital, Belleville. Grandparents are Mr. and Mrs. Adam Hornberger, 221 S. 1st, and Mr. and Mrs. Anthony Luckish, Collinsville.

Church Women United Installs New Officers

Installation ceremonies for 1970-71 officers of the Quad-City Council of Church Women United highlighted the council's annual business meeting which took place Monday at St. Elizabeth Catholic Church.

Rev. Robert L. Kettlehut, pastor of St. Peter United Church of Christ, opened the meeting with a brief meditation period and prayer. Mrs. John Schrader, council president, who will continue in office another term, presided at the annual session.

Installing the newly-elected officials was Mrs. Raymond Ville. Those taking office were Miss Carol Starling, corresponding secretary; Mrs. William Beatty, recording secretary; Mrs. Victor Anderson, treasurer; Mrs. Adolph Rickert, Fellowship of the Least Coin; Mrs. John R. Booth and Mrs. Donald Rivenburgh, coordinators for Days of Celebrations; Mrs. Fred H. Williams, World Day of Prayer chairman; and Mrs. Leonard Roberts, May Fellowship chairman.

Other council executives who will continue in office during the current year include Mrs. Fred Rupp, vice-president; Mrs. John Gordon, representative to the Social Concerns Council; and Mrs. Dale Schanley, Church World Service GROP director.

In other business of the council, 45 women from 13 quad-city churches heard reports from chairmen of various areas in which the Church Women United group is involved.

Progress reports were presented by Mrs. Vivian Cherry, Friends in Learning chairman; Mrs. William Richardson, transportation committee chairman; and Mrs. David Daniels and Mrs. Lester Webb, co-chairmen of the Nearly New Clothing Center.

Reports concerning the Tiny Tim Nursery and Mental Health programs were given by Mrs. Rivenburgh and Mrs. Warren Leeper, respectively.

Each committee chairman previously named will continue in the same office for the 1970-71 year. Mrs. Schrader announced.

Twenty-five gourds and pumpkins grown at local farms and gardens were displayed for members inspection. The United Church Women's special booth at the United Fair event, Oct. 3 and 4 at Wilson Park rink pavilion.

Plans were outlined pertaining to the U.F. booth which will offer for sale to the public such unusual items as Indian corn, centerpiece arrangements, milo and fall foliage, pumpkin and squash recipe books and home-baked goods from a "Country Kitchen" project in addition to the gourd and pumpkin exhibits.

Mrs. Schrader invited council members to take part in a "Gourd Work Day," scheduled for 9 a.m. Monday at the Schaefer residence, 5116 Maryville road. Volunteers are urgently needed to clean and prepare the gourds for sale, she announced.

Those wishing to aid in the project should bring a pair of rubber gloves, a shoe cleaning brush, a small paint brush and sack lunch. Coffee will be furnished by the volunteer helpers, Mrs. Schrader said.

Special recognition was afforded Mrs. James Craddock, a past president of the council who shortly is leaving the area with her husband, Rev. James Craddock of Central Christian Church, to accept a ministry in Centralia.

It was noted that Mrs. Craddock was instrumental in red-

organizing the Church Women United group during the past several years to permit the organization to become more responsive to the needs of the community as a whole.

Mrs. Schrader announced the Southwestern Area of Church Women United has set its annual workshop at St. John United Church of Christ, at 9 a.m. Tuesday, Oct. 20. Those planning to attend the day-long program are asked to furnish a sack lunch.

Ladies from St. Elizabeth Altar Society served tea, coffee and cookies following the business meeting. Appointments for the serving table reflected an autumn theme.

St. Elizabeth Society Meets

The Altar Society of St. Elizabeth Catholic Church met Tuesday evening for its September business session and for a "rainy shower" for the school sisters. Bussel baskets decorated by Mrs. Joan Chibice were filled with grocery and pantry items by the ladies as they entered. Lay teachers of the school and the sisters were guests for the evening.

Mrs. Marie Planitz, president, led opening prayer. Announcements were made that a bake sale will be held Oct. 18 in the school cafeteria. Mrs. Rose Krystofa is chairman.

The annual "Christmas bazaar" will be Nov. 14 and 15; dinners will be served and there will be booths. Mrs. Carol Tritschsch is chairman.

Mrs. Sandy Innes, a member of the parish, added the ladies to sign letters to be taken by her to Washington, D.C., where they will be presented to members of Congress, urging that information be revealed concerning prisoners held by the North Vietnamese. The letters will be sent to the president of North Vietnam.

Mrs. Ann Pare reported on attending a convention last weekend in Altoon, and the evening's prize, a ceramic box shaped like a Bible, was awarded to Mrs. Joan Chibice.

A centerpiece like ones to be given to the bazaar was given to Mrs. Joanne Munderman. Other prizes went to Mrs. Gene Feeler and Mrs. Mary Bellue. The room attendance award was won by Sister Gaudine Room One.

Sister Lucia, principal, introduced the teachers. Games were played, with white elephant prizes.

Mrs. Lillian Turck was hostess for the evening. Sandwiches and refreshments were served from a table decorated with an autumn floral arrangement centered by a Madonna figurine.

The new assistant pastor, Fr. John O'Connell, project in addition to the gourd and pumpkin exhibits.

FUTURE SLENDERETTES HONOR MRS. WICKMAN
Mrs. Peggy McGhee, leader, opened Tuesday at the Schaefer residence, 5116 Maryville road. Volunteers are urgently needed to clean and prepare the gourds for sale, she announced.

SOCIETY

Webster PTA Honors Faculty

Webster school faculty members and their families were honored at a "welcome back" dinner hosted by the PTA executive board Monday. Room mother chairmen, Mrs. Cathy Lingle and Mrs. Marcia Buster, were in charge of preparations and decorations.

The cafeteria was decorated in a patriotic theme in red, white and blue. White floral centerpieces were given to Mrs. Dorothy Frohardt, Mrs. Donna Lobdell, Mrs. Ruth Hopkins and Mrs. Ruby Williams. Mrs. Wilma Andrews presided at the guest book and conducted a membership drive. The first PTA business session of 1970-71 was led by the president, Mrs. Annette Scrum.

Junior Girl Scout Troop 704, led by Mrs. Mae Lee and Mrs. Betty Van Gilder, opened the meeting with a flag ceremony; participating were Shirley Patton, Cheryl Brinkley, Barbara Hoffman, Jackie Chapline and Susan Welby.

Principal Clyde Lee gave the benediction and Mrs. Scrum explained the purpose of the PTA. The secretary, Mrs. Eva Arbogast, gave a report, as did the acting treasurer, Paul Lingle. Lee reported for the auditing committee, which included Mrs. Arbogast and Eugene Miller.

Mrs. Marguerite Ready's first grade class won the traveling banner and an award for the most parents in attendance. Lingle was nominated and elected as treasurer.

Mrs. Scrum introduced chairmen and officers for the new year: Mrs. Dianne Dietrich, vice-president; Mrs. Arbogast, secretary; Lingle, membership chairmen; Mrs. Andrews and Mrs. Lobdell, room mother chairmen; Mrs. Lingle and Buster; hospitality, Mrs. Alene Moore and Mrs. Donna Moore; publicity, Mrs. Doris Stotz.

Programs: Miss Mary Veloff and Mrs. Ready; historian, Mrs. Carmen Grider; legislation, Lee; budget and finance, Vince Scrum; ways and means, Mrs. Ann Myers; health, Mrs. Mylene Doneff; helping hand program, Mrs. Lee and Mrs. Valera Schriber; Boy Scout representative, Miller; and Girl Scout organizer, Mrs. Lee.

The principal introduced the faculty and Mrs. Lingle presented American flags for their desks.

Mrs. Doneff, school nurse, spoke on the health program at Webster and informed the PTA unit of throat cultures and tuberculosis tests that will be conducted this year. Mrs. Scrum adjourned the meeting with a reading on respect to the flag. Refreshments were served by the hospitality chairmen and a questionnaire was distributed to get suggestions for the PTA. The next general PTA meeting has been set for Oct. 19 and the next executive board meeting Oct. 5.

Luncheon for Past Chiefs

The Past Chiefs Association of Pythian Sisters met Monday with Mrs. Elizabeth Best in her home, 2833 East 24th street. The hostess served a noon luncheon, with garden flowers as centerpieces. Favors were small orchid corsages.

The president, Mrs. Lillian Chepley, conducted the business session and announced that the next meeting of the Pythian Sisters will be observed Oct. 10, with dinner served at 6 p.m. at the Knights of Pythias Temple.

Mrs. Olivia Lehman was presented the afternoon's prize, and other prize winners in the day's games were Mrs. Marcia Montague, first; Mrs. Nell Hutchinson, second; Mrs. Lehman, third; and Mrs. Ella McKittrick, consolation.

Mrs. Marcia Montague invited the association to her home in Troy Oct. 14.

MRS. DICKMAN GUEST AT CRADLE SHOWER
A surprise cradle shower was given Monday night for Mrs. Gene Dickman by the Ladies Missionary Society of the Graceland General Baptist Church in the church annex at 2033 Johnson road.

The 28 persons attending enjoyed games and contests. Those who attended were Mrs. Dickman, Carmen Ward, DeLoris Falloni, Lillian Nance, Faye Miller, Glenda Morlock, Shirley Caldwell, Wanda Faith, Wanda Keelin, Leona Engle, Nettie Keene, Peggy Browning, Charlene Reese, Linda Holafeld, Lorene Fox, Ava Brown, Wilma Lovatt, Sue Donithan, Edith Feltmeyer, Pat Campbell, Katherine Lincoln, Mildred Lovejoy, June Perkins, Karen Perkins, Cathy Lincoln, Sandy Falloni, Mary Ellen Lincoln and Marlene Riggs.

MRS. RANDY A. SOENS, whose recent marriage took place at Good Hope United Methodist Church in Poplar Bluff, Mo., is the former Miss Brenda Kay Dockery, daughter of Mr. and Mrs. Edward Dockery, 2215 Ohio avenue.

Miss Brenda Dockery Wed at Poplar Bluff

An out-of-town wedding of interest here was that of Miss Brenda Kay Dockery, daughter of Mr. and Mrs. Edward Dockery, 2215 Ohio avenue, and ETNSA Randy A. Soens, U. S. Navy, a son of Mr. and Mrs. E. M. Soens of Poplar Bluffs, Mo.

Their marriage was solemnized at 3:30 p.m. Saturday, Sept. 12, at the Good Hope United Methodist Church in Poplar Bluff.

The Rev. Peter M. Soens, a brother of the bridegroom, performed the double ring ceremony with the Rev. Vernon Kneir assisting.

Miss Glenda Stock, pianist, played a medley of love songs and the traditional wedding march. She also accompanied the bride and groom as they sang "Whither Thou Goest," "More" and "The Wedding Prayer."

Given in marriage by her father, the bride wore a full-length gown of white pearl de sole with a fitted lace yoke and Empire waistline. The rounded neckline was trimmed with Chantilly lace, and a chapel-length train was etched in lace scallops. The sleeves tapered to points over the hands. A bride veil of illusion was held by a crown of sequins and seed pearls and she carried a cascade arrangement of white rose buds.

Miss Pam Simmons, a cousin of the bridegroom, was maid of honor and Miss Debbie Soens was bridesmaid. They were gowned alike in mini green peau de soie, fashioned with an Empire waistline and lace bodice, attached to an A-line skirt. Their headpieces were mint green illusion secured to a circle of pearl de soie, and they carried a single large white chrysanthemum with green and white streamers.

Miss Juanita Dockery of Granite City, sister of the bride, was flower girl and wore a dress identical to the older attendants. She held a basket of pink petals and her flowers were in a wrist corsage.

Mr. Soens chose his brother, Jerry, as best man and Mike Dockery, the bride's brother, as groomsmen. Mike Osborn of Granite City, a nephew of the bridegroom, served as ring bearer.

For the daughter's wedding, Mrs. Dockery selected a gray tulle and cotton dress trimmed in white with black accessories. Mrs. Soens, mother of the groom, chose a white three-piece double-knit suit with applique trim and black accessories. Both had white carnation corsages.

A reception for family and friends was held immediately following the ceremony at the church. Mrs. Jerry Soens of Tucson, Ariz., a sister-in-law of the groom, presided at the guest book. Mr. Edward Simmons and Mrs. Frank Hyde were in charge of the reception.

The newlyweds presently are spending some time in Granite City. After his current leave, Mr. Soens will report for a tour of duty on the USS Compton.

Newcomers Hold September Meet

The Granite City Newcomers club met Monday night at Trinity Mor Bowl. The president, Mrs. Shirley Morrison, presided and reports were given by Mrs. Helen Spengler, treasurer, and Mrs. Louis Ware, acting secretary.

Mrs. Sylvia Massman announced that the club's bridge groups will meet Saturday at her home, 13 Lakeview, for couples' bridge and Oct. 7 with Mrs. Judy Pifer, 2413 Cleveland blvd., for ladies' bridge.

Mrs. Morrison reported on bowling activities for the month and announced that the sewing and knitting group will resume in October under the direction of Mrs. Theresa Jablonski, chairman.

Mrs. Gloria Tanner was elected vice-president to fill an unexpired term, and Mrs. Mary Jane Hart was appointed as new hospitality chairman. Mrs. Ware will assume the duties of secretary.

Guests introduced were Mesdames Sara Rapp, Sue Lederie, Sheila Benthall, Mary Schiler, Wendy Milner and Connie Brauer.

Prizes for the evening's games were won by Mesdames Gloria Tanner, Pat Wyatt, Beulah Moats, Sylvia Massman and Arla Ault.

The next meeting Oct. 19 will feature a guest speaker, Sgt. Joseph Nemeth, who will speak on "Narcotics." The nominating committee will present a slate of officers for the coming year.

MIRRORS CLUB CROWNS

MRS. ARLENE TADLOCK
The Mirrors will tell club held a weekly meeting Tuesday night at Rozycki Realty. Mrs. Muriel Byrne conducted the meeting and reports were given by Mrs. Lucille Kaloerou on the current club contest. Costumes and performances for a "baggy dress" parade to be given at Area Recognition Day were arranged. Mrs. Byrne will be commentator.

A new member, Mrs. Arlene Tadlock, was crowned "queen of the week" and received the club's crown pin from Mrs. Marie Edwards, retiring queen. Also present were Mrs. Diane Gortnerman and Mrs. Billie Bagl.

Coast Guard Entrance Exams Are Scheduled

Cong. Melvin Price has announced that the annual competition for entrance to the U. S. Coast Guard Academy will commence with the Dec. 5, administration of the College Entrance Examination Board Tests. These examinations will be given in over 3000 test centers. Arrangements to take the CEEB examination should be made by the applicant through his school prior to Dec. 5. Completed Coast Guard application forms must be received by the Academy by Dec. 15.

Congressman Price emphasized the opportunity offered qualified young men who choose this four-year course which leads to a commission as a career officer in America's oldest continuous seagoing Armed service and a Bachelor of Science degree.

"Appointments are made on a competitive basis; there are no separate quotas for States categories," Congressman Price said. "I urge all qualified young men who are interested in this worthwhile profession to write for details and application at once to the Director of Admission, U. S. Coast Guard Academy, New London, Connecticut, 06320."

Back from Chicago Meet

Dr. Stanley F. Maer has returned from a meeting of the State of Illinois Optometric Examining Committee of which Dr. Maer is a member. The committee met in Chicago with Illinois Director of Registration and Education William H. Robinson to consider methods of improving examination procedures for the licensing of optometrists in the State of Illinois. While in Chicago Dr. Maer also attended a seminar on advanced contact lens fitting conducted by Dr. Robert C. Simmons, prominent contact lens specialist from Clinton, Iowa.

Glenview & East Granite

MRS. DORIS STOTZ
2571 Hodges Avenue
878-5044

Marshall PTA-sponsored Brownie Troop 140, under the leadership of Mrs. Faye Wentz and Mrs. Charlotte Fuller, met at the school last week to make plans for the fall.

A flag ceremony was conducted and the scouts welcomed a prospective member, Sheila Sufi, and a guest, Lisa Fuller.

The girls discussed activities they would like to participate in this fall and Mrs. Fuller laid a game plan. An arts and crafts session followed.

The meeting closed with a friendship circle and "Taps." Answering roll call were Barbara Fuller, Laura Ferrer, Paul Black, Kim Harris, Tammy Hutson, Kathy Joyce, Anna Miller, Pam Reynolds, Kim Ragan and Ann Schreiber.

Mr. and Mrs. Earl Miles, 4285 East Lake drive, entertained in their home honoring Mrs. Miles' niece and family. Mr. and Mrs. Richard Keller, 1414 N. 1st, of Bloomington, Ill. Enroute here, they stopped and visited friends in Springfield.

The Kellers were to St. Louis to tour the Gateway Arch and other points of interest. They left Friday and will stop in Alhambra, Ill., to visit relatives before returning home.

Mrs. Katherine, the former Doris Dorsey, is the daughter of the late Ethel Dorsey, a former resident of Venice.

DAY CAMP EVALUATION
An evaluation of day camp was discussed by Brownie Troop 492 of the Marshall PTA in the home of the Marshall PTA, Mrs. Skippy Kidman, 2916 Fifth avenue, during the weekend.

She announced that a perfect attendance chart will be displayed in the meeting with treats to be awarded at the end of the year.

Also discussed were different kinds of hikes. Tentative plans were made for a hike later this year, and the Brownies made psychedelic flowers and animals.

Attending were Debbie Hand, Laurie Holloway, Carol Ann Kidman, Dolores Lindsey, Janet Nuns, Christy Peach, Beth Smith, Joanne Stratton, Hazel Torrez and Sharon Werner.

FOURTH BIRTHDAY
Michael Geske, a son of Mr. and Mrs. Eldon Geske, 3012 Edgewood drive, celebrated his fourth birthday at a party given by his parents in their home Monday evening.

The table appointments were in green and yellow, with a racing car theme adorning the party cake. The honored guest received many gifts.

A dessert luncheon was served to the honoree's sister, Tonya, maternal grandparents, Mr. and Mrs. Gilbert Richter, Sr., paternal grandparents, Mrs. Samuel Geske of Hardin, Ill., uncles, aunts and cousins, Mr. and Mrs. Gilbert Richter Jr. and daughters, Laurie and Lisa, Mr. and Mrs. Mike Barnett and daughter, Sheila, and Wood River, Mr. and Mrs. Bob Utery and children, Les and Laurie, of East Alton, Norman Richter and Brenda Schieb.

TROOP 495 HAS COOKOUT
Sacred Heart Brownie Troop 495 met at the school Monday under the leadership of Mrs. Pat McKee, Mrs. Barbara Walker and Mrs. Carol Squires. The troop welcomed a new member, Rebecca Bell, who transferred from a Nidringhaus troop.

The girls hiked to Wilson Park for a cookout. They cooked a complete meal in aluminum foil and enjoyed a recreation period on the playground equipment.

Participants were the new

Quad-City Appeal Nets \$5939 in Cancer Fight

A record \$39,502 in contributions was collected by the Madison County Unit of the American Cancer Society in its 1970 drive conducted this year.

Included in the figure was a total of \$5393 donated by Quad-City residents, showing an increase of \$722 over the sum raised in 1969.

The record amounts were made possible by a joint statement issued by L. Allan Edwards, manager of the Alton Office of Illinois Bell Telephone Co., 1970 Crusade chairman for Madison county, and Mrs. Donald (Janel) Partney of Granite City, Quad-City Cancer Crusade chairman.

Mrs. Partney attributed the success of the Crusade to "the numerous dedicated volunteers within Granite City, Venice and a Madison." In addition to a door-to-door campaign, the Granite City Jaycees organization sponsored a "very successful" dance in an effort to raise money for the fight against cancer, the local chairman said.

Other communities in Madison county also contributed large amounts, but in previous drives, the chairman said. Wood River fund-raisers collected a total of \$2046, an increase of \$2202 over 1969; Collinsville, \$5176, increasing its collections to \$1556 and Highland, which showed collections of \$2202, raised its total \$1536 over last year's figure.

Travelers Aboard to Hear Col. Schweizer

Col. Charles B. Schweizer (ret.) of the Southern Illinois University Foundation will address Travelers Aboard as the organization of Quad-City area foreign travelers resumes its monthly meeting schedule at 7:30 p.m. Monday, Sept. 28, in the Prather junior high school library.

Col. Schweizer will discuss his tour of the Orient. Mrs. Nevada Kacaleff is president of Travelers Aboard.

LEADERS PLAN DINNER
Mrs. Vivian Davis, chairman of Neighborhood Three Girl Scout leaders, presided at the September meeting of the service team held Tuesday morning in the home of Mrs. Doris Stotz, 2571 Hodges avenue. Plans were made for a business meeting and a pot luck dinner Oct. 1.

The dinner will be held at Wilson Park Shelter Five at 11 a.m. and covered dishes are assigned as follows: Marshall school leaders, vegetables; Nidringhaus, meat dishes; Sacred Heart, desserts; and Webster, salads. Mrs. Velma Collins, secretary, will provide bread, butter and coffee. The leaders are to bring their own table service.

Money was collected from ticket sales for the Oct. 3-4 United Fund Fair, in which District Four scouts will operate a game booth. Each leader is to turn in handicraft articles. Mrs. Davis distributes literature and forms for monthly reports and the consultants and organizers turned in assignments.

Mrs. Carmen Grider and Mrs. Rosemary Wilson were appointed as chairmen for a Dec. 3 leaders' Christmas party. The chairman announced that the Oct. 27 team meeting will be held at the home of Mrs. Pat McKee, 2110 Hodges avenue, at 9 a.m., with the hostess Mrs. Beth Caffrey. Mrs. Collins served refreshments to those named and Mrs. James J. Ann Dix, Mary Rita Ahlers and Mae Lee.

trip and many articles obtained during her travels.

It was announced that a member, Mrs. Cora Mae Bent, has moved to Lehigh Acres, near Fort Meyers, Fla.

Refreshments were served to those mentioned and Mrs. Irma Taylor, Mrs. Jene Lybarger, and Mrs. Louise Thompson. Mrs. Thompson has invited the Circle to her home, 2314 Yale, for their next meeting on Oct. 27. Mrs. Jene Lybarger will be in charge of the study and Mrs. Ruth Houser will have the missionaries names.

PACK 46 BEGINS YEAR
Cub Pack 46, sponsored by the Nameoki PTA, held its first meeting of the fall season Monday night in the school cafeteria. Cubmaster John Slay welcomed all to the meeting,

and a flag ceremony was given by Den Two.

Bob Moske and Wayne Miskelly took the scouts and children to the gym for games while parents held a planning session.

Bernard Miller, assistant cubmaster, announced Den Mothers and requested additional adult leaders. He outlined programs for the year, announcing a theme of "Cowboys and Indians" for the meeting Oct. 27. He also explained pack committee duties.

Plans were announced for an "open house" Sept. 28 at 7:30 p.m. in the school cafeteria for all boys interested in becoming cub scouts and their parents. Boys must be eight years old or in the third grade.

Boys in Den Two receiving, year pins were Erich Miller,

Gary Sipole and Russ Chappell. Miller accepted a one-year den mother pin for his wife, Helen, and Gary Sipole received three silver arrow points.

Bob Moske joined Webelos Den One and was presented his ribbon by Miskelly. Miskelly presented his son, Steven, a member of Webelos Den One, the Webelos award, the highest honor in cub scouting and the only cub award worn on the Boy Scout uniform. Steven also received a graduation diploma from the Pack.

The "cubby award" went to Den Two. Refreshments were served by Webelos Den One. Slay led all present in "Taps" and gave the benediction.

CADET GIRL SCOUTS MEET, ELECT OFFICERS

A newly organized Cadette Girl Scout Troop met at Hope Lutheran Church Tuesday evening.

The cadettes discussed badge work requirements and made tentative plans for a hike in October. Miss Oram announced that the weekly meetings will be held each Tuesday from 7:30 p.m. Anyone interested in joining the troop may contact Mrs. Oram.

JUNIOR TROOP MEETS
Junior Girl Scout Troop 704 sponsored by the Webster School PTA met Monday with the leaders, Mrs. Mae Lee and Mrs. Betty Van Gilder. A discussion was held on the evaluation of day camp and the troop camping program.

The Chipmunk Patrol conducted

the opening ceremony with the pledge of allegiance, promise and singing "America." Final plans were made for a camp-out at Camp Torque Sept. 25-26. Safety rules were discussed.

The juniors practiced a flag ceremony which they performed for their sponsor later. Answering roll call were Enid Cox, Tammy DePew, Julia Forya, Tammy Fritts, Barbara Hoff, Ann, Carina Kuhn, Anita McGee, Carolyn North, Susan Welby, Pam Williams, Cheryl Brinkley, Danna DePew, Shelley Siebert, Shirley Patton, Vicki Williams, Janice Van Gilder, Jackie Chapline, Cynthia Ferguson, Robin Pilch, Lori Taylor, Robyn Starks, Cheryl York, Coleen Jackson and Leann Thomason.

ISU Enrolls Record Of 17,400 Students

Illinois State University has recorded its largest enrollment increase in history, with about 17,400 students registered as of the start of classes.

The increase will be about 2700 over the 14,687 who enrolled in September, 1969, according to Dr. Wilbur Venable, dean of admissions and records.

Illinois State's projections for this fall's enrollment had been 16,923.

A major reason for the increase, Dean Venable said, resulted from a large gain in transfer students, up about 700 over a year ago, and reflecting the growth of the junior college system in the state.

He reported that total freshman enrollment, including new and returning freshmen, is up about 700: sophomores, 600; juniors, 445; seniors, 452; and graduate enrollment, about 300.

Nagy Named Student Advisor of Westminster

Dennis K. Nagy, son of Mr. and Mrs. Davis Nagy Jr., 3220 Wabash avenue, and a sophomore at Westminster College in Fulton, Mo., is serving as a freshman associate advisor for the 1970-71 academic year.

He is one of 24 outstanding students chosen to help faculty members advise freshmen students in course selection, research and study practices, and college life adjustment.

Classroom Experience For Two GC Students

Two Granite City students at Southern Illinois University-Carbondale will receive in-the-classroom experience during the fall quarter.

They are Charlotte Sue Mathis, 4005 Vesci avenue, assigned to Belleville West high school, and Beverly Jo Rustick, 4104 Kirkpatrick Homes, assigned to Lincoln junior high school, Carbondale.

Teenage Demos Plan Bake Sale on Oct. 3

The Teenage Democrats planned a bake sale for Oct. 3 during a recent meeting at the Levee Board office. Details are to be announced later.

A report was made on a car wash conducted by members on Sept. 12.

The next meeting will be held this evening at Democratic headquarters, 1410 Twentieth street, and all teenagers were urged to attend.

Miss Young Selected By Texas Singers

Jan Young of Monterey, Mexico, a former Granite City resident, is among 45 students at Southwest Texas State University to be selected for membership in the university Singers.

A graduate of Granite City high school, she transferred to the Texas school from Illinois Wesleyan University. An alto-soprano, she is a piano major.

She is the daughter of Stanley D. Young, Nuevo Leon, Mexico.

Demonstration Policy Outlined At SIU Campus

A strongly worded statement which upheld the right of peaceful dissent on the Carbondale campus while spelling out a number of specifically prohibited protest activities has been issued by the Southern Illinois University board of trustees.

The five-page "Interim: Policy on Demonstrations" brings together and amplifies earlier policy statements by the SIU trustees.

A general conduct statement prohibits group or individual activities that disrupt university functions, interfere with the safety, rights and welfare of others, and are destructive of property, public or private.

That is backed up by a 19-point section on demonstrations listing specific kinds of conduct forbidden on university property. The board said prohibitions apply to hostile audiences at peaceful demonstrations as well as to demonstrators who coerce others or threaten personal safety or property destruction. They are:

- Obstruction or disruption of classes, research and other school functions.
- Obstruction or disruption of vehicle traffic or university activities by blocking access to buildings.
- Physical abuse, intimidation or threats of violence.
- Damage to or theft of property at the university.
- Unauthorized possession or use of firearms, explosives or chemicals.
- Entering false alarms or tampering with safety and utilities equipment.
- Failure to comply with directions of university or law enforcement officials.
- Aiding anyone in any prohibited act or conduct.
- Contributing to any prohibited act by being a spectator.
- The statement says a spectator "who by his presence is a contributor to any prohibited conduct" is liable to the same penalties as an active participant.

Judgment on Violations

Judgment on violations of the demonstration guidelines will be made on the spot by the chancellor or his designate, according to the statement.

The policy statement also provides for temporary sanctions against anyone in the university community deemed to represent a danger to it. Such sanctions would be imposed only after preliminary hearings. Full hearings in accordance with established disciplinary procedures would follow.

Procedures covering non-students or others outside the university community include injunctions, trespass "notice to depart," or reference to civil authority.

The statement says disciplinary action will be brought against organizations or individuals violating SIU regulations or employment contracts.

In order to facilitate peaceful rallies and demonstrations, the university will provide a number of "Free Forum" areas available at all times to anyone at SIU.

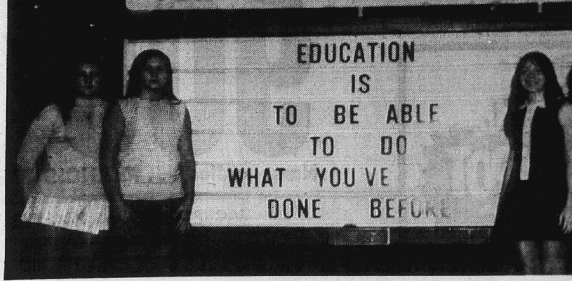

Chancellor Robert L. Lauer said specific jobs the trustee will be announced after discussions with student government officials.

Other areas of the campus may be used without sound amplifying equipment if the gathering does not interfere with regular university activities.

Area Scheduling

Such large areas as McCandrew stadium may be scheduled through the chancellor or his

VENICE PUBLIC SCHOOLS

COMING EVENTS SIGN recently erected at Venice high school shown by several of the students, including, left to right, Pamela Irby, Student Council president; Marla Brawley, Student Council vice-

president; Joan McGarrahan, Student Council secretary; and Betsy Fields, signkeeper. The sign was financed by students.

Coming Events Sign Erected by Students at VHS

By KIM BOELLING

Members of the 1969-70 Student Council at Venice high school raised \$350 to help finance a new coming events sign located in front of the school.

In the previous two years starting this fall, the council earned \$300 for the sign, and members were determined to have the sign up before the start of school this fall. A tag day was held last March, the sign was ordered and arrived during the summer.

A representative of Junior Achievement spoke to sophomores, juniors and seniors at 8:45 a.m. today. He explained the functions and objectives of Junior Achievement. The students were given application cards a week in advance, and students who wished to join filled them out and returned them.

Senior class officers elected last Friday are John Schodroski, president; Mark Koelker, vice-president; Linda Devany, secretary; and Betty Fields, treasurer.

Court Ruling Clears Way for ISU Building

A Sangamon county circuit court ruling has cleared the way for Illinois State University to seek single bids for a revenue bond-financed construction project.

Judge William Chamberlain, in a decision rendered last Friday, ruled that the project, a 100-unit married student apartment village, was not subject to provisions of the Purchasing Act, which require bids in separate categories for various sub-contracts.

The decision was based on the fact that revenue bonds, to be retired from rental payments, will finance the construction, rather than general revenue monies appropriated by the Legislature.

A similar question had previously been the subject of a ruling by the Illinois Supreme Court, enabling the Illinois Building Authority to employ the "single bid" system, under which general contractors were permitted to bid all work without separation as required by section 6 of the Purchasing Act.

The suit in Springfield had been filed by Mike Marada, a Springfield resident, against the Board of Regents, which governs ISU. Illinois State, in its specifications for the apartment units, had called for modular units, prefabricated and erected on the site. A recommendation on award of contracts was to have been made at this Thursday's meeting of the Regents in Chicago.

ISU President Pledges Open, Free University

Illinois State University is committed to the maintenance of an open and free institution, the new acting president of ISU declared in an all-university convocation Thursday night.

Addressing students, faculty, staff, and community residents, Dr. Francis R. Geigle told the large audience at Hancock stadium, "We will protect the right of all members of this community to engage freely in the educational experience; the right to teach; the right to enter and leave public buildings without interference; the right to be secure in our person and property and residence, and the right of free speech and free assembly."

law. Such action, he said, will be consistent with due process requirements.

"This will be the position of the university because this university also has a right—the right to protect itself."

The new acting president, who was joined on the field by the 50-member student-faculty

Academic Senate, said there will be no dismissal of classes for the November election, in accord with a resolution passed by the Senate.

"Classes will continue to operate as usual and the regular procedures with regard to attendance and participation on the part of both faculty and stu-

dents will be followed."

He took note of the Senate's commendation of the political science department for providing a course in practical political action and allowing for voluntary participation on time outside the person's regular assignments.

President Geigle stressed the importance of communication among student, faculty and administration "and the involvement of students in educational decision-making."

33rd Degree Masons To Convene This Week

More than 1200 Thirty-third Degree Masons, accompanied by their ladies, are expected to visit Milwaukee between Sept. 24 and Oct. 1 to attend the 1970 annual meeting of the Supreme Council of Scottish Rite Freemasonry for the Northern Masonic Jurisdiction.

Visitors will come from the fifteen northeastern and midwestern states comprising the 800,000-member Jurisdiction.

This year's event at Milwaukee marks the first time since 1937 that the Supreme Council has met in Wisconsin and will be highlighted by the conferral of the Thirty-third Degree upon 206 Scottish Rite Masons who were elected to receive the high honor at the 1969 meeting of the Supreme Council in Boston. Included are Fern R. Rauch and Francis D. Conner, both of East St. Louis, and Joseph H. Buckvold Jr. of Belleville.

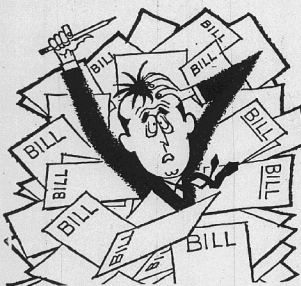

The Thirty-third Degree is awarded for outstanding achievement in the fraternal life for significant contributions to others reflecting credit on Freemasonry.

Among the prominent Masons included in the 1970 class are four U. S. Congressmen, Howard A. Robinson, Oregon, N. Y., William H. Harsha, Portsmouth, O., Elford A. Cederberg, Bay City, Mich., and William G. Bray, Martinsville, Ind., and former Governor Elbert N. Carvel of Delaware, U. S. District Judge Frederick W. Kaess of Michigan and Paul W. Briggs, superintendent of schools at Cleveland, O.

The ceremony, witnessed only by Thirty-third Degree Masons, will be held in Uihlein Hall at

Environmental Problems Steadily Worsen

America's environmental problems grew considerably worse during the past year in spite of existing public concern and abundant political promises of remedial action.

That is the grim conclusion of the National Wildlife Federation's second annual National Environmental Quality Index in the October-November issue of National Wildlife magazine.

The EQ index calls the country's increasingly polluted air the most serious environmental problem. Autos, power plants and industry are called the three major air polluters. Of special concern is the conclusion that lung cancer and emphysema are the fastest growing causes of death in the United States.

All Streams Affected
Virtually every stream, river, lake and estuary in the nation is polluted to some degree and getting worse. It is contended that businesses are responsible for 60% of water pollution, cities 25% and agriculture 15%. The EQ index says enforcement of existing laws would go a long way toward cleaning up the nation's waters.

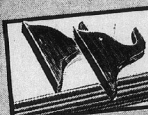

The mineral index indicates that the U. S., with only 5.7% of the world's population, uses 30% of all minerals extracted from the earth. Furthermore, by the end of the century, the nation may have exhausted its own known reserves of such vital minerals as uranium, lead, zinc, crude oil and natural gas.

Things are getting worse for the nation's wildlife, too. During the past year, 13 species have been added to the endangered list, bringing the total to 102. Widespread use of persistent pesticides and loss of natural habitat are accelerating the disappearance of many animals.

Living Space Studied
Although the quality of living space rates fairly high on the EQ index, the trend is down. Population problems, complicated by more highways, more noise pollution and more solid waste, make future projections possibly unpleasant for all. Only timber resources gained a bit over the 1969 index, due largely to Congressional rejection of legislation that would have increased timber cutting in national forests. However, a recent presidential order allowed

concrete, and other vast areas are getting worse, not better. Federation Director Thomas L. Kimball warns, "The American public must not let the current volume of political talk mislead it into believing environmental problems are being solved. Flowery speeches laced with good intentions have yet to clean up the first bit of pollution. We must demand performance, not promises."

Police Car Radio Network to Be Completed

The Illinois Department of Law Enforcement has received \$1,886,383 in federal and state funding to provide equipment and office space for the new Illinois Bureau of Investigation and to complete a statewide police emergency radio network.

Herbert D. Brown said the funding was approved at a meeting of the Illinois Law Enforcement Commission in Rockford.

He said \$431,383 will be used to equip and provide additional office space for the FBI, a special investigative unit created earlier this year to combat organized crime and traffic in narcotics and dangerous drugs. The remaining \$1,225,000 will be used to purchase mobile radio units and other radio equipment for the Illinois State Police Emergency Radio Network (ISPERN).

ISPERN, a special high-band frequency which allows car-to-car communications among all law enforcement agencies in Illinois, is the first program of its kind in the nation.

A \$2 million grant from the commission enabled the de-

partment to purchase the first 3345 mobile radio units needed to make the system operative; 3345 law enforcement agencies already are linked to the special frequency.

Buy 2000 More Units
"These new funds will be used to purchase 2000 additional radio units and radio equipment that will provide access to ISPERN by, among others, the Chicago police department," Brown said.

Through the ILLEC funding, the Law Enforcement Department is able to provide the radio units at no cost to participating agencies.

Participants need only pay the cost of installation and maintenance of the units and of providing any additional monitoring equipment needed.

"This funding will enable us to take some major steps forward in improving law enforcement at all levels," Brown said. "Each of these grants will directly benefit law enforcement agencies, the cutting edge of our war on crime."

Parking Meter Fines In August Hit \$2857

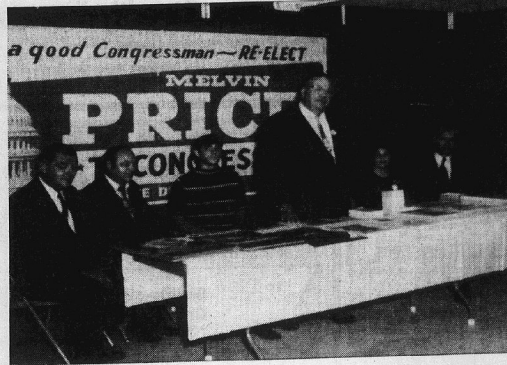

A police drive to collect unpaid parking meter fines resulted in collection of \$2857 during August, a record amount. Fines collected usually range from \$400 to \$800 per month. Fines totaling \$846 were collected in July.

Parking meter fines collected in August were lower than for any month since January, with \$2850 collected during the month, compared to \$2900 collected in July. The highest collection of fees this year was in March when \$3550 was collected.

Total collections for the year this far is now \$31,498, collected in fines and fees, compared with \$30,518 collected last year for the same period. Daily collections during August averaged \$211, substantially higher than the \$132 average in July and \$33 per day higher than last August.

Rear of Auto Struck

An auto driven by Dennis J. Reutbuch, 2866 Madison avenue, struck the rear of a car driven by Sarah G. Carver, 2904 Sunset drive, at 5:15 p.m. Monday in the 2900 block of Madison. He was charged with careless driving.

READY FOR CAMPAIGN. William Warfield, standing, chairman of the Granite City Democratic Central Committee, conducts a brief ceremony for the opening of Democratic Campaign Headquarters at 20th and State streets. Left to right are John Maeras, candidate for sheriff; State Rep. Horace Calvo, a candidate for re-election; Scott Harris, president of the Granite City Teen-Age Democrats; Warfield; Mrs. Shirley Palmer, Granite City Democratic Club woman, and Sam Wolf, secretary-treasurer of the Madison County Democratic Committee.

Regional Commerce, Growth Association Being Formed

Formation of a new organization, the Regional Commerce and Growth Association, to provide an "umbrella" under which a number of community development groups can operate has been announced by the Chamber of Commerce of Metropolitan St. Louis.

"This association offers an opportunity to organize and coordinate many community resources and talents, thus bringing the greatest amount of force to bear on area challenges facing us in the years ahead," Charles J. Dougherty, Chamber president, commented.

The move comes as a result of the expressed desire of business and civic leaders for a unification of the effort expended by the several organizations seeking to promote the metropolitan area.

"The form of the association represents a practical and effective way to achieve that primary objective while at the same time retaining the identity of the several organizations," Dougherty said. "With this retention of identity and the obvious advantages realized through the elimination of duplication in activities, boards, committees and fund drives, it is hoped that a number of organizations in the area will become part of the association."

Dougherty said, "We also hope that organized labor will play a significant role in helping to develop this new concept."

Madison, St. Clair Counties
The Association will serve the metropolitan area, which embraces the city of St. Louis, the Missouri counties of St. Louis, St. Charles, Franklin and Jefferson and the Illinois counties of Madison and St. Clair.

The charter of the non-profit association was issued by the state of Missouri at the request of the Chamber. Headquarters will be in the new Equitable Building, where space has been leased.

"The headquarters location," Dougherty said, "will reflect the importance and forward-looking nature of the undertaking."

"As the 'parent' or 'umbrella' organization, the association will be governed by a board of directors to be elected by, and responsible directly to, the supporters of the organization," he explained.

The organization members which become a part of the association in turn be headed up by an executive council appointed by and responsible to the association's board of directors. The chairman of each council would be appointed by the association from its board membership.

"We are confident," Dougherty said, "that this will serve to

improve and intensify the productive efforts of the organization members through the broadening of support and the elimination of duplication."

"Annual programs of action will be developed by each organization within the association's executive committee and approved by the board," he said.

One of the major advantages of the new association will be the area of fund-raising.

Dougherty continued, "Instead of two, three or more fund campaigns, there would be only one."

Allocations will be made on the basis of budgets developed by each organization and approved by the association's executive committee and board.

Aggressive Program
Three years ago, after an independent study and evaluation, leaders determined that if the St. Louis area is to achieve its potential, it must have a viable, aggressive business-community organization that collectively represents business and other major interests of the community.

Dougherty expressed the view that unified effort—with several present organizations working as one and tackling community problems with new energies, new ideas and with total purpose and cohesion—offers the best and most effective way to accomplish the common goal of betterment of the metropolitan region.

"Though we have been committed over the past three years to the consolidation of volunteer organizations in an effort to eliminate duplication, we encountered many problems and some resistance," Dougherty said. "Now we are confident that the new St. Louis Regional Commerce and Growth Association will provide the vehicle to achieve the sought-after unification of community development and promotion efforts."

"This," he continued, "will further progress and growth for the metropolitan area and its 2.4 million people."

Vandal Issues Threat
Nancy Gilbert, 2200 West 20th street, reported at 12:10 a.m. Tuesday that someone drove past her apartment and hurled a rock through her kitchen window. Another rock was thrown at her living room window but it missed the glass. The vandal then phoned the victim and said the next move would be worse, she said.

Photos of Servicemen Sought for USO Booth

Do you have a son, daughter, husband, brother, sister or father serving in the Armed Forces at home or overseas? The United Service Organization (USO), an agency of the Tri-Cities United Fund, will be happy and proud to display his or her photograph in a place of honor at the United Fund's "Fun Fair" event, set for Saturday and Sunday, Oct. 3-4 at Wilson Park pavilion.

Raymond Uram of Granite City, a national USO director, said the photographs will be exhibited in a special USO booth at the local Fun Fair.

He asked parents and other relatives of local servicemen and women to send a photograph to him at 2418 Lynch avenue, or bring a photo to the address before Friday.

"We want the USO booth to honor the servicemen from our community. We believe that our friends, stopping by the display, may see a GI's photograph, not know the boy is in service and write him to renew old friendships," Uram said.

Most Will Write

"Whether or not a person agrees with the Vietnam war, most people will take a little time and go out of their way to write a few lines to a serviceman they know," the USO director commented.

All photographs should have the serviceman's name plainly marked on the back. Those to be returned also should be marked with the sender's address, Uram said.

The address of the soldier, sailor, marine, airman or coast-guardman may be written on a separate slip of paper, he added.

Information on USO club activities and lists of items needed by servicemen in Vietnam also will be available to the public at the USO booth.

For the fifth consecutive year, USO has completed a survey among military personnel in the Far East in regard to their favorite holiday gift items, Uram said.

For Overseas Mailing
Due to numerous requests, the USO is releasing the lists early again this year to assist individuals and groups who wish to complete packages destined for servicemen and women overseas.

Many groups compile gift boxes and mail the packages to overseas USO facilities for distribution to any serviceman at Christmas time. "We especially encourage donors to direct their gifts to clubs in Vietnam, Thailand and Korea," Uram said.

The National USO director pointed out that the Christmas deadline mailing dates, established by the Post Office Department this year are: Surface mail weighing more than

5 pounds, Nov. 6; SAM (Space Available Mail) less than 5 pounds, including greeting cards, Nov. 20; PAL (Parcel Air Mail) Nov. 27; and registered airmail of all weights, Dec. 11.

Gift Items

Gift items suggested from the USO survey include small notebooks, inflatable pillows, packaged cocoa or fruit drinks, playing cards, shaving equipment, adult games, canned food and nuts, paperback books, sewing kits and blank recording tapes.

Servicemen also have requested crossword puzzle books, first aid kits, soap, deodorant, shampoo, plastic bags, heavy duty work socks, assorted greeting cards, 9-volt radio batteries, pre-recorded musical tapes, poster landscapes, insect repellent, writing materials, holiday decorations, foot spray, miniature chess and checker sets, candles and small transistor radios.

Servicemen listed their "most wanted" items as shampoo, rollers, hair setting lotion, cologne, scented "wash 'n' dry's," home ornaments, fashion magazines, dry shampoo, lipstick and nail polish.

Operate 62 Facilities

The USO presently is operating 62 facilities overseas, including many clubs in the Pacific area. Last year hundreds of gifts were distributed to servicemen and women in USO clubs, military hospitals and to isolated units. In addition, monetary contributions from the American people made possible a variety of holiday programs which featured free home-cooked dinners and live entertainment, Uram explained.

The USO staff members already are busily planning festivities which will once again help ease the loneliness and desolation of service personnel, many of whom will be away from home for the first time, the director said.

Contributions to the Tri-Cities United Fund, which allocates funds to the USO, directly helps the programs conducted by the organization for the serviceman and woman away from home and lonely. Uram reminded local residents.

Illinois Power To Build New Generating Unit

Wendell J. Kelley, president of Illinois Power Company, with headquarters here, announced plans this week for construction of a new 600,000 kilowatt generating unit, with completion scheduled for 1975.

Mr. Kelley said the unit probably will be installed as Unit No. 3 at the IP Baldwin power station in Randolph county.

The first 600,000 Kw Baldwin unit went into production in June of this year. A second unit of 600,000 Kw capacity is presently under construction and is scheduled for operation in 1972. The first 600,000 Kw unit came on the line in time to meet peak conditions in the 15,000 square-mile IP area, and also has contributed to shipments of power to the TVA and the Consolidated Edison Company during the last summer.

A third unit of this size at Baldwin would bring the total capacity of the plant to 1,800,000 kilowatts—more than doubling the 1,427,300 IP generating capacity at the beginning of 1970.

Cooled With Water
The Baldwin plant is a "mine-mouth" operation, with coal provided by a shuttle train from a Peabody coal mine about five miles away. The plant is cooled with water from a man-made self-contained 2000 acre reservoir, which obtains make-up water from the Kaskaskia River. Warm water is circulated through the reservoir for cooling, with no warmed water discharged into the river.

Precipitators rated at 90% efficient remove fly-ash at the Baldwin plant, and stacks 100 feet tall are designed to disperse remaining fine gases high into the atmosphere.

Illinois Power, also in 1970, installed two peaking complexes, using gas turbines. One,

rated at 100,000 kilowatts, is at Stallings near Granite City and the second, rated at 70,000 kilowatts, is at Oglesby in the northern part of Illinois Power territory. Both are four-unit complexes.

Other major IP generating plants are at Havana, Hennepin, Wood River and in Vermilion County, near Danville, with a combined capacity of 1,484,000 kilowatts. Various smaller units throughout the territory provide an additional 23,300 kilowatts of generation for peaking and start-up purposes.

Stephen R. Willard Awarded Bronze Star

Army Sgt. Stephen R. Willard, 26, son of Mrs. Margaret Willard, 2222 Delmar avenue, has received the Bronze Star Medal near Duc Pho, Vietnam. He was presented the Bronze Star for distinguishing himself through meritorious service in connection with military operations against hostile forces in Vietnam. The medal, adopted in 1944, recognizes outstanding achievement.

Sgt. Willard received the award while assigned as the supply sergeant in Company B, 4th Battalion, 3rd Infantry of the Americal Division's 11th Infantry Brigade.

The sergeant entered the Army in March 1969 and was stationed at Fort Dix, N. J., before arriving overseas. He holds the Combat Infantryman Badge.

The sergeant's wife, Susan, lives at 1923 Edwardsville Road, Granite City.

Steel Employment on Increase During July

Domestic steel employment rose for the second month in a row during July. According to the American Iron and Steel Institute, the industry employed 546,882 wage and salary earners during July—up from June's 541,334 employment figure. In July of last year 566,166 persons held domestic steel wage and salary jobs.

Total steel wage and salary payments dropped a bit in July, to \$438,275,000 from June's \$439,679,000. In July, 1969, wage and salaries amounted to \$411,789,000. Total hours worked declined from 83,319,000 hours in June to 87,633,000 hours in July. Through the first seven months of 1970, domestic steel wage and salary cost totaled \$3,066,287,000 for the comparable period of 1969.

September 21, 1970

We, as owners and operators of the local taverns, would like to take this opportunity to speak out to our fellow residents of Madison.

There are thirty-two taverns now in operation within our city boundaries, approximately fourteen of which remain open until the 4:00 A.M. closing law, now in effect. The recommendation to be presented to the city council for approval, proposes uniform closing laws in accordance with the neighboring communities. It proposes the elimination of fifteen taverns, reducing the number from thirty-two to about sixteen for next year.

We feel that it is time for us to speak out in our own behalf to try to present our view points on local matters.

We pay city license fees of \$500.00 per year to operate our businesses. We pay \$50.00 per year state fee, \$54.00 per year federal fee and \$10.00 per year to the city of Madison to operate a juke box, pool table, pinball machine, etc. Our dream shop insurance ranges from approximately \$300.00 to \$1,500.00 per year. We all pay income tax, sales tax, and social security, depending on our income. A percentage of our sales tax goes to the city for its use. If we have over three employees, we pay union dues and union insurance. Some of us pay a catering tax. We pay personal property tax, liability insurance and most of us have fire insurance.

We say these things only to explain — we pay more license fees and higher and more insurance rates than most of the business places in our community.

We employ a total of eighty employees on a full and part-time basis. We have twenty children in our school district, and our employees have forty children in our schools.

We, however, realize the influx of people in our community on the weekends causes undue hardships on our neighbors, but we do not feel the present proposal is the answer to our immediate problems.

The number of vacant buildings on our main thoroughfare alone is a cause of major concern to all of us. Would the addition of more vacant buildings be the answer? We do not honestly feel that the taverns are responsible in keeping small business from moving into our community.

The revenues received by the city from the taverns, and from the personal property taxes, total well over \$35,000.00 yearly. The city of Madison will lose considerable revenues, if this proposal is passed, due to the fact that the bridge no longer brings in large revenues. So where will the deficit be made up? Will our taxes be raised? Will the license fees be raised from \$500.00 per year to \$1,000.00? How many taverns can afford an additional \$500.00 per year expenditure?

Who will make the decision as to which places will close? Will the taverns on the main street be closed while the neighborhood bars remain open; or will the neighborhood places remain open which will then create an even more deserted look on the main street?

A compromise of some sort is necessary; however, we do not feel that the present proposal is the answer. We are, therefore, seeking your help as fellow-residents. We have in our possession a petition signed by 500 residents of the city of Madison and they also are of the opinion that we have every right to continue the operation of our taverns.

Needless to say, most of us have no other source of income and we, too, have families to raise with the same abundance of love, affection and parental supervision as your own.

We contribute to the churches of our choice, to local ethnic groups, charitable organization and service clubs. We purchase space in considerable ad books for all organizations regardless of race, color or creed.

Regardless of the outcome, we feel we have every right to utilize this last attempt to continue as in the past whereby we can maintain our present and only source of income. We also have to continue living and if the present proposal is passed it will drain our life's blood. Since the majority of us have been in business for a considerable number of years, it would be very difficult to locate employment especially for those of us who are in the age bracket of fifty years and over. As of this writing we still have hopes of a compromise of some kind with the city council and through you, our fellow-neighbors.

Through the splendid and continued cooperation of our excellent Police Department, we will make every possible effort to minimize any trouble and to keep the surrounding area free from refuse left by our customers.

The two taverns that created much disturbance are no longer in existence and we, therefore, pledge to you at this time to refrain from having such establishments in our city.

In closing, we want to personally thank each and everyone of you for taking the time to read this article and, again, any assistance that you can give in helping us to reach a compromise will certainly be appreciated.

Respectfully submitted by the

Smith, Percy Sponsor Farm Amendments

Senator Charles H. Percy (R-Ill.) and Senator Ralph Smith (R-Ill.) introduced eight amendments last week to the 1970 Farm Authorization Bill, designed to correct the bill's broad discrimination against small farmers and at the same time cut more than half a billion dollars from the Agricultural Bank.

Smith and Percy joined in condemning the Senate Agriculture Committee's bill as "anti-middle-class" and "fundamentally discriminatory to the average Illinois farmer." The bill would require the bill for its excessive cost—\$1.7 billion over the House-passed administrative version—would require the Senate to pay \$120,000,000 in the Illinois Republicans noted, cotton growers will get vast subsidies, midwestern farmers will get left out, and the American taxpayer will be left to pay the rest.

With Senator Percy as a co-sponsor, Senator Smith was to re-introduce his \$200,000,000 amendment which earlier passed by a narrow 40-35 margin as a rider to the House bill.

The son of Alexander and Mary (Caverty) Jordan, he attended Farmville, Ill., grade school, Christian Brothers high school in St. Louis, and St. Xavier College, Bourbonnais, Ill., for his college, philosophy and theology.

He celebrated his first 30th birthday in Farmville, Ill. His first assignment was as an assistant pastor at St. Mary's Church in Taylorville.

Prior to his local assignment, Father Jordan served as pastor of St. Patrick Church, from Nov. 24, 1924, until Aug. 1, 1927, when he became pastor of Forty Martyrs Church in St. Louis.

During his tenure here he was a member of the Granite City public library board and at one time served as a mediator in labor-management contract negotiations.

He was a member of the Granite City Public Library Board and at one time served as a mediator in labor-management contract negotiations.

A third amendment, introduced by Senator Smith and co-sponsored by Senator Percy, strikes a provision aimed at promoting cotton sales with Federal dollars.

The Agriculture Appropriations Committee had added \$10 million to the price tag of the bill to finance the cotton program.

It is this pure substance," said Smith. "What the cotton boys can't get directly in subsidies are trying to slip in through the back door of promotional schemes like a Cotton Festival, if such festivals are fine, but not when the average farmer suffers because of them and the American taxpayer pays for them."

Rev. J. P. Jordan To Observe 50th Jubilee Sunday

Rev. J. P. Jordan, pastor emeritus of St. Joseph's Catholic Church, will celebrate his golden anniversary as a priest at the 9:30 a.m. Mass Sunday at the local church.

Rev. Jordan was ordained 50 years ago on Sept. 18, 1920, by Most Rev. Edmund M. Dunne, D.D., bishop of Peoria.

He served as pastor of St. Joseph's Church for 32 years, being assigned here on July 10, 1938, after retiring two years ago on Oct. 1, 1968.

'Up With People' Group To Appear at Benefit

A public benefit performance to aid the Lundowne Khoury League will be given at 2 p.m. Sunday by the 100-member Sing St. Louis-West group of the "Up With People" organization.

The affair will take place at the Khoury league ball park at 4200 North Park drive in Washington Park. A donation of 50 cents for adults and 25 cents for children will be sought for the performance, which will feature songs and dances relative to American heritage.

The Sing St. Louis-West group usually attracts a large audience, organizers reported. They asked that persons attending the show bring lawn chairs or other seating.

Graduate Piano Recital At SIU-SW on Saturday

Sally Sawyer Crawford of Wichita, Kans., will present her graduate piano recital Saturday at 8:15 p.m. in Lovejoy auditorium at Southern Illinois University-Southwestern.

Mrs. Crawford will play French Suite, No. 4, by Bach; Sonata, Opus 109, by Beethoven; Allegro Barbaro by Bartok; Visions Fugitives, Opus 22, by Prokofiev; and Ballade in G Minor, Opus 23, by Chopin. The recital is being presented in partial fulfillment of the requirements for the master of music degree which Mrs. Crawford expects to receive at the end of the summer quarter.

ARMY CAYUSE. The OH-6A Light Observation Helicopter, a multiple-use aircraft of the type to be displayed at the United Fun Fair, Saturday and Sunday, Oct. 3 and 4, at Wilson Park. The copter is to be exhibited here by the U. S. Army Aviation Systems Command at Lambert Field.

Fun Fair to Feature Army Cayuse 'Copter

A U. S. Army "Cayuse" helicopter has been added to the diversified range of informative exhibits, top-flight entertainment, amusement rides and optical displays to be made available to area residents attending the United Fun Fair on Saturday and Sunday, Oct. 3 and 4, at Wilson Park rink pavilion.

Carl Mathias and Leo H. Konzen, Fun Fair co-chairmen, announced today the OH-6A Cayuse helicopter will arrive by noon, Saturday, Oct. 3, and remain a static display adjacent to Wilson Park pavilion for the two-day Fair.

\$26 Million To Schools for Vocational Work

A total of \$26,063,663 has been disbursed to elementary schools, secondary schools and junior colleges by the Division of Vocational and Technical Education of the State Board of Vocational Education and Rehabilitation, Ray Page, Illinois Superintendent of Schools, reported.

Superintendent Page pointed out that enrollment in approved vocational and technical education programs have increased from 149,445 in 1965 to approximately 500,000 in the past year. It is expected to double in the coming year.

Page said, "The new emphasis in vocational and technical education is directed to meeting the needs of individuals, particularly the disadvantaged and handicapped, rather than on particular occupational training programs."

The State Board reported that due to limited state and federal funds, regular secondary programs reimbursement claims were paid on the basis of 50% of the claim. This is the first year of the new vocational and technical education program under the 1968 Amendments to the Vocational Act of 1963 in which reimbursement based upon student enrollment in approved vocational and technical education programs. In the past, reimbursement was based upon a percentage of the vocational teaching staff salaries.

Superintendent Page said that under the 1968 Amendments emphasis led to distribution of funds to the following special categories: Handicapped, \$1,292,694; Disadvantaged, \$4,019,535; Exemplary, \$162,978; Consumer & Homemaking \$622,382; Cooperative Education, \$376,654; Work Study, \$218,841; Developmental Programs, \$328,864; Professional and Curriculum Development, \$377,229; and Secondary Area Center Construction, \$2,875,418.

Child, Family Welfare Center Opens in County

The Illinois Department of Children and Family Services has opened a district office in Edwardsville, Director Edward T. Weaver announced today.

The office, at 116 Hillboro avenue, will be staffed by 11 social workers, a licensing representative and three clerical workers. They will provide a wide range of child welfare services to residents of Madison and Bond counties, Weaver said.

He said the opening of the office is part of the department's decentralization program, designed to make offices more accessible to families who need service. The department has 29 district offices throughout the state.

Administrator of the new office is Mrs. Catherine Stookey, who has worked with children in a social work capacity since 1949. She obtained a master's degree in social work in 1953 from the George Warren Brown School of Social Work, Washington University, St. Louis.

According to Mrs. Stookey, staff members of the Edwardsville office are serving some 75 families and 210 children. Madison county residents were formerly served by the department's East St. Louis office, while residents of Bond county were served by the Salem office.

It will be some months before a complete transfer of service responsibilities to the Edwardsville office can be effected, Mrs. Stookey said.

For the present, she said, the Edwardsville office staff will respond to requests for assistance in the area of family counseling, child protection, foster home placement, homemaker service, and licensing of day care centers.

Persons seeking a adoption services or licensing services for foster homes and day care homes will be referred temporarily to the East St. Louis district office.

An open house, officially recognizing creation of the new of-

ice, will be held from 1 to 4:30 p.m., Oct. 9. The public is invited to attend the open house, about problem in Illinois and now the department administrators its child protection program, will be shown.

New Students Briefed By Blind Guide at SIU

New students being briefed at Carbondale this fall will be taken on walking tours of the campus. They'll be led in groups by student guides. Handicapped and wheelchair students will get the same tour. But they will have only one guide and he will be very explicit about such things as distances between buildings, their relative locations, and shortcuts from one place to another. Their leader will be James Rhoades, a 22-year-old junior from Springfield, Rhoades is totally blind.

The sight of a sightless tour guide has stopped more than one student in his tracks but to Rhoades it is almost second nature. He is accustomed to answering as many questions from sighted students as blind ones. He knows the sprawling campus like the back of his hand.

Or, better, like the special braille map he devised for doing his job. Concocted from an idea he had in his sophomore year, it is a guide that includes relief outlines of most major buildings and additional pages of braille notes and keys. He developed it with the help of Mrs. Carol Halderman, an academic adviser at SIU who has done work with the deaf.

Rhoades—a music education student—has made a special point of instructing himself about SIU's physical layout so he can instruct other handicapped students in the easiest and most efficient ways of getting around.

"When I came in the winter of 1968," he recalled, "there was snow on the ground, and I had to get oriented mostly by trial and error. You learn a lot of things. Some residence areas have sidewalks that go 'round and 'round; you lose yourself. Some dining halls have 'curved' bus serving systems that are terrifically confusing to someone unable to see. Thompson Woods (at the center of campus) is really a problem. The paths 'wander all over the place."

So Rhoades broached his map idea, then got himself a job at SIU's Office of Handicapped Student Services. He has launched an intensive orientation program for sightless new students that he says is better than the one that all others go through at the beginning of school in the fall.

It includes two days crammed with everything from a detailed reconnaissance of Thompson Woods to early-bird orders for hard-to-find braille textbooks, based on the student's course program.

"It's tailor-made to get these people through the registration routine as quickly and smoothly as possible. Then they can get down to business."

Rhoades lost his sight as a result of being confined to an incubator after his premature birth. The oxygen-rich environment damaged optic nerve points and within 13 years he was completely blind.

He played trumpet in the Springfield Feithans high school band and it is still his major instrument. Rhoades says he can either teach music or play professionally when he is graduated, but he plans to start master's degree work in rehabilitation counseling.

Right now, Rhoades is working on a locating device even more sophisticated than his braille map. It's an electronic beeper which would be attached along with a braille-studded metal instrument plate at key points on the campus.

The instrument would allow momentarily confused blind students to "home in" on the beeping signal, then get squared away by reading the descriptive plate. Rhoades says he'll try to get the same system set up in downtown Carbondale.

SIU Trustees Change Viet Study Program

A transfer of administrative responsibility and a change in name for the Vietnamese studies operation on the Carbondale campus have been approved by the Southern Illinois University board of trustees.

The words "and Programs" have dropped from the center's name, and the official title now is Center for Vietnamese Studies. Director H. B. Jacobini said the center's mission as an academic center is to stimulate and assist development of knowledge and understanding about that part of Southeast Asia which has North and South Vietnam as its focus.

The center began operation in the summer of 1969 under a five-year \$1 million grant from the Agency for International Development. Responsibility for implementation of the grant is now transferred from the center to the Offices of the Center Vice-Presidents. The center director is under the supervision of the chancellor of the Carbondale campus or such other officer as he may designate, according to the board action.

Neither the position held by Jacobini or Associate Director Nguyen Dinh-Hoa will be funded from the AID grant.

The center has been under fire of anti-Viet war spokesmen and student groups because of fears that its mission went beyond academic knowledge and would involve the university with AID in new programs in Vietnam.

The charges, despite denials by university people, made the center a focal point of several campus disturbances during the past year.

McKendree Professor Named State Consultant

William C. Hodge, associate professor of art at McKendree College, has again been appointed to the post of State Regional Resource Art Consultant of Illinois for the school year of 1970-71, according to Dean Emerita Owen.

In this post Professor Hodge will make eight to twelve trips during the year to various elementary and secondary schools in the state to examine and recommend art programs. Mr. Hodge has served on the McKendree faculty for the past 10 years as head of the Art Department. He is an undergraduate of Southern Illinois University and holds a Master of Fine Arts degree from the University of Iowa.

SIU-SW Experimental Washington Seminars

Twenty-one courses have been taught in a Washington-based experimental advanced graduate program in urban fields sponsored by the Southern Illinois University trustees have been advised.

Dr. Andrew Kochman, SIU-SW vice-chancellor for academic affairs, said more than 195 students have taken the courses.

The experimental program was established at the suggestion of the U. S. Department of Housing and Urban Development and with the encouragement of several federal agencies dealing with urban problems. The university has received a \$30,000 grant from HUD to continue the program for a year.

The program combines courses in planning, government, economics, engineering, sociology, psychology, administration and education in a multi-discipline study of urban oriented problems. It is designed for employees of federal and state agencies dealing with urban problems and offers on-the-job training.

Instead of a daily classroom schedule, the program combines self-directed study under the guidance of SIU-SW faculty. There are intensive two or three-day intensive seminar sessions in Washington taught by visiting professors.

"The experiment has encouraged the Graduate School to endorse another year of experimentation with the hope that a degree program can be established eventually," Dr. Kochman said.

The experimental program was started in the late fall of 1969. Many of the students have received fellowships provided through a grant from the Department of Housing and Urban Development.

Doctorate Degree Approved by Trustees

A doctor of philosophy degree program in rehabilitation has been approved by the Southern Illinois University board of trustees and will be submitted to the Illinois Board of Higher Education for final approval.

The program is designed as a departure from the traditional concept of training specialists in narrow areas, such as rehabilitation counseling and rehabilitation psychology, according to Guy A. Renzaglia, director of the SIU Rehabilitation Institute.

"We are concerned with turning out generalists who look at the total rehabilitation picture," Renzaglia said. "Our purpose will be to train acbto, oriented and problem-focused people to go out and work with the mentally, physically and emotionally handicapped and socially and culturally disadvantaged."

Renzaglia said it is expected that most graduates of the new Ph. D. program will go into innovative new units of colleges and universities and rehabilitation agencies which are designed to produce "action oriented people."

Three Area Students At Central Methodist

Three Granite City youths are among about 300 new students who began course work earlier this month at Central Methodist College, Fayette, Mo.

They are Sarajane Slattery, daughter of Mr. and Mrs. George R. Slattery, 2248 Woodlawn Avenue; Miss Mary Wolfe, daughter of Mr. and Mrs. George Wolfe, 2011 Amos Avenue; and Richard W. Williams, son of Mr. and Mrs. Fred R. Williams 1358 Lindell Blvd.

SOME INSURANCE COMPANIES SAY THEY GIVE YOU "ON-THE-SPOT" CLAIMS SERVICE

You'd do better to leave on-the-spot work to your favorite dry cleaner.

Because "on-the-spot" claims service for car insurance can mean you are on the spot to settle your claim at somebody else's place.

If you want to get paid fairly as well as fast, see on independent insurance agent.

He's available, day or night, to help you make a thorough assessment of damage, determine the full amount of your loss, and THEN speed settlement of your claim. Which is just one reason why most people buy their car, home, and business insurance through an independent agent.

There are 170,000 independent agents "on-the-spot" around the country ready to help you.

This symbol is your assurance that we are professional independent agents dedicated to serve you first.

Status of Women Meet Is Saturday at SIU-SW

The Commission on the Status of Women, established by an act of the Illinois State Legislature in 1967, will hold a one-day conference Saturday at Southern Illinois University's University Center at Southwestern campus starting at 8:30 a.m.

The conference is being co-sponsored by SIU and District 14 of the Business and Professional Women's Clubs. Mrs. Florine Reed, Boling, is district chairman, and Mrs. Mary Batson of Granite City is district vice-chairman. The public is invited.

Theme of the conference is: "Women... Agents of Change." The conference keynote speaker will be Miss Dorothy Haer, international representative, Women's Department, United Auto Workers, and former member of the President's task force on women's rights and responsibilities.

Four panel discussions will highlight the conference. Illinois State Senator Esther Saperstein, 19th District and chairman of the Illinois Commission on the Status of Women, will close the conference by summing up the results of the four panel discussions.

Panel No. 1, reporting on the President's Task Force and current legislation, will be chaired by Mrs. Pauline Weir and moderated by Senator Robert Mitchell. On the panel are: Mary Kimbrough, women's editor, St. Louis Globe-Democrat; Mary Ellen Casey, assistant area manager, St. Louis office, U. S. Civil Service Commission; Edith Card, chief management information reporting division, directorate management systems, USA Mobility Command, St. Louis; and State Senator Merrill Ottwein, Edwardsville.

Plans were made for a hayride in October, and members were urged to attend the National Family Life Conference in Chicago in October.

Members present were: Mr. and Mrs. Earl McMillan, Mr. and Mrs. Virgil Mobley, Mr. and Mrs. Burl Treadwell, Mr. and Mrs. Gerald Bushue, Mr. and Mrs. Marvin Van Meire and daughters, Mr. and Mrs. Ray Ascraft and children, Mr. and Mrs. Robert Roland, Mr. and Mrs. Leonard Gertsch, Mr. and Mrs. John Metz and Mr. and Mrs. James Williams Jr.
Guests of the class were Mr. and Mrs. Roy Daugh and children, Mrs. James Chandler of Long Beach, Calif., Steve Gambin of Metropolis, Ill., and Mr. and Mrs. Richard Bills and daughter.

Panel No. 2, discussing "facilities available for the education of women," will be chaired by Mrs. Emyler Alford and moderated by Lillian Karmann, a member of the Illinois House of Representatives. Members of the panel are: Miss Dorothy Kelly, legal services specialist, Olin Corp.; M. A. Witternigel, supervisor, adult education, Granite City school district; H. A. Woods, Dean of Students, Belleville Area Community College; and Dr. Ruth Richardson, faculty member, SIU-Southwestern.

Panel No. 3, discussing social and community services, will be chaired by Miss Dorothy Paddock and moderated by Senator Walter Duda. Panel members are: Miss Dorothy Fink, deputy county clerk, Madison County; Mrs. Irene Witty, credit manager, St. Joseph Hospital, Alton; Mrs. Frances Roberts, supervisor, general assistance, Alton Township; and Mrs. Kathleen Rogers, social workers supervisor, Visiting Nurses, Alton.

Panel No. 4, considering problems of the working woman, will be chaired by Mrs. Annabel Woodring and moderated by Eugenia Chapman, Illinois state representative. Panel members are: Miss Jean McCarty, second vice-president, National Federation of Business & Professional Women; Evelyn I. Walter, chief, Physical Therapy, Veterans Hospital, St. Louis; and Dianne White, Weathercaster, KSD-TV, St. Louis.

Rider is chairman of the communications media faculty and director of Broadcasting Services. Standing (left to right) are Rudi Schwacke of Johannesburg, South Africa; Swamithas Sureshramuthu of Madras, India; and Rev. William Kniffler of St. Louis, director of international operations of the Lutheran Hour.

International Lutheran Hour Executive Here

Two branch managers of the world's largest non-government sponsored radio broadcast, the International Lutheran Hour, have enrolled at SIU-SW "to secure the best professional training in the communications media."

Rev. William Kniffler of St. Louis, director of international operations for the Lutheran Hour, reports that Swamithas Sureshramuthu of Madras, India, and Rudi Schwacke of Johannesburg, South Africa, have come to the local campus so they can prepare themselves "to be more creative in their jobs."

"We hope that through Prof. John Rider (chairman of the communication media faculty) and his department that we can have an on-going program for advanced education for our managers all over the world."

The Lutheran Hour, Kniffler said, is heard weekly in 41 languages in more than 100 countries by an estimated 30 million persons. Branch managers, he explained, serve as administrators in the 18 branch offices located throughout the world.

"Our men coming here are familiar with their own cultures," Kniffler said, "and are well versed as churchmen. However, we feel it is equally important that they receive a broad view of various types of communication media diversified formats, and information which will be helpful to them in knowing who their audience is and how to program for it."

Curriculum for these branch managers, Prof. Rider said, will be geared to meet their specific needs. "Since we do not as yet have a master's degree program," he explained, "they will be enrolled as special students."

At Madison County Jail

Mental Health Services For Prisoners Proposed

Marshall Smith, assistant state's attorney for civil affairs, is urging members of the county's 708 mental health board to adopt a mental health program for the indigent criminal.

Services would be made available to accused persons being held in the county jail who are deemed to be in need.

Smith pointed out that mental health services for persons who have broken the law could help reduce the crime rate which is "costing us dearly in lives and property each year."

County Pension Plan For Deputies Proposed

A pension plan for employees of the Madison county sheriff's department is being proposed by Marshall Smith, assistant state's attorney for civil affairs.

Deputies currently are under the Illinois Municipal Retirement Fund but the program is not comparable, to city police pension plans, Smith said, and as a result the county is losing men to other police departments, including university police.

Minor amendments to the state statute providing for city police pensions would be required, and Smith referred the proposal to state representatives and senators and to candidates for those offices.

"more" who can be helped and a third have recognizable mental health problems.

The program could help the latter two thirds while they are in jail, and when placed on probation, they could receive treatments at mental health centers in the county, he said.

The Madison County Health Center at Alton reported that the program could be conducted at a cost of \$13,350 and could be in operation within two months after being funded. The cost would be a salary of \$13,000 for a full-time staff member, \$250 for mileage and \$100 for postage.

The center reported it would provide a means through which information can be gathered, evaluated and made available to the court and would make the court aware of the specific rehabilitative resources available and appropriate for specific cases.

Treatment would be available to persons whose anti-social behavior may be the result of treatable behavioral or environmental problems, the report said.

Recreation Area In Mississippi Valley Studied

Findings by an Interior-Army Field Task Force indicate establishment of a National Recreation Area on the Upper Mississippi would help to maintain the natural aesthetic and recreation values for people throughout the nation.

The area being studied extends 600 miles from Minneapolis to St. Louis and includes the 45 counties immediately adjacent to the river in the states of Illinois, Iowa, Minnesota and Wisconsin. The Task Force is presently evaluating 200,000 acres for fee acquisition and 74,700 acres for scenic easement.

Initial estimates are that by the year 2000 the national recreation area would receive about 100 million recreation days use annually. Based on an average daily expenditure of \$15 per day use, the annual expenditure in the area would be in the neighborhood of \$1.5 billion.

The Study Task Force has

consulted with State agencies, the Great River Road Assoc., county planners, railroad companies, barge tow interests, power generation companies, special governmental commissions and committees, U.S. Congressmen from the States involved, and many individuals and groups.

The study, which began in January 1969 and is scheduled to be completed in January 1971 is under the chairmanship of the Bureau of Outdoor Recreation; with participation by other Federal Agencies and the states.
